nineteen hundred eighty five*

A winning combination! A perfect 10! A decade of excellence in academics, athletics, and the performing arts is reflected in the trophies, plaques, and certificates won by Parkside High School organizations, teams, and individuals since the opening of the school in 1975.

HISTORY

On Tuesday, September 2, 1975, a partially completed Parkside High School opened to 1,105 students and fifty-five teachers. The \$6.5 million complex had been under construction for over two years, but was still incomplete.

The gymnasium, industrial arts, home economics, and music departments were still unusable. Thirty-two of the seventy teaching stations, or classrooms, were still unfinished. Up until the last moment, one of the major concerns of the Board of Education was whether or not the cafeteria would be able to serve the students and faculty, or if they would have to "brown bag it."

The new school was situated on a fifty-five acre tract of land located off Schumaker Drive. The building contained 3,000,000 cubic feet and had a capacity of 1,200 students. The facility was also full of major innovations for education in Wicomico County.

Some of these innovations included special facilities for handicapped students such as easily accessible ramps leading from the upper to the lower level and lowered water fountains. The walls in the teaching stations were actually demountable partitions which enable classroom size to be easily changed as the need arises. The building contained almost no windows or doors in the classrooms, and the only natural light in the school was supplied by the fire door located in each classroom. Another major innovation was the air conditioning system.

Along with the ultramodern auditorium, which held nine hundred people, the school also contained the only planetarium in Wicomico County. The new Viewlex planetarium would allow for new in-depth study in astronomy.

The new high school was dedicated to Royd A. Mahaffey, who served eighteen years as the Superintendent of the Board of Education, and Parkside's mascot, the Ram, was derived from his initials.

Mr. Anthony Sarbanes, pictured in the doorway of his unfinished office, was appointed as Parkside's first principal on the recommendation of Superintendent Royd A. Mahaffey. Mr. Sarbanes began his educational career in Wicomico County in 1961. He taught at Pittsville High, Wicomico Junior High, and Wicomico Senior High, his alma mater. After serving as assistant principal first at Wicomico Junior High and later at Bennett Senior, he became principal of Wicomico Senior High in 1971.

Mr. Sarbanes demonstrated remarkable ability to organize and work with people, qualities which proved invaluable in the hectic early days. Parkside was about seventy per cent complete when its doors

opened in September, 1975. None of the special areas were ready, and the sounds of construction work in the west wing competed with the sounds of the band and chorus practicing in the Media Center. The new librarian faced thousands of books all waiting to be carded and stacked. The bells did not work; the main lobby was often dusty, and construction workers roamed freely. Parkside people coped with the chaos and established the spirit of striving that has marked Parkside's decade of class. The yearbook staff extends a special thank you to Mr. Sarbanes who furnished the color slides and construction history used in the opening section.

A VICTORY AT LAST!

Homecoming '84 was fantastic! Thursday afternoon each class decorated a hall patterned after the theme, "Aladdin's Castle," and spirited students then moved to the gym to try something new — a pep rally before the traditional bonfire. The band performed, the cheerleaders sparked up spirit, and the court was introduced. On Friday morning, the winners of the hall decorating contest were announced. In first place were the seniors with the sophomores finishing a distant second. Trailing closely behind were the juniors and freshmen, respectively. To boost school spirit, students dressed in green and white on the day of the game.

At 6:45 Friday evening, cars and trucks gathered in the Civic Center parking lot where they were lined up for the parade. The parade then proceeded across Glen Avenue,

through the stadium parking lot, and around the track surrounding the field. The seniors who participated in fall sports, chorus, SGA, band, and other activities honored their parents in a pre-game ceremony. Kick-off was promptly at 8 o'clock. The first half went well for Parkside. Breaking the school record, Jai Isear scored a 42-yard field goal.

At halftime the court was honored. Karen West and Darrell Brow were chosen to reign over the remainder of the weekend. Their attendants were Penny Parsons, Ginger Cooper, Craig Leak, Andre Scott (senior representatives), Lisa Stephens, Lisa Killmon (junior representatives), Kim Clark, Wendi Bell (sophomore representatives), Tricia Van Dornick and Kim Lennox (freshman representatives). The second half of the game continued to go Parkside's way. Scoring the last touchdown of the game, the Green Machine left the final score of the game 27 to 16 in the Rams' favor.

On Saturday, students converted the cafeteria into an Aladdin's Castle for the dance later that evening. Posters

A TYPICAL DAY AT PARKSIDE

A typical day at Parkside? It's unheard of! Students may follow the same basic schedules everyday: they may get up at the same time in the morning, arrive at school at the same time, go to the same lockers, to the same classes, face the same teachers and leave by the same path. But something special, something different, something unique happens to someone, somewhere, at some time during each day. The result? No day is a typi-

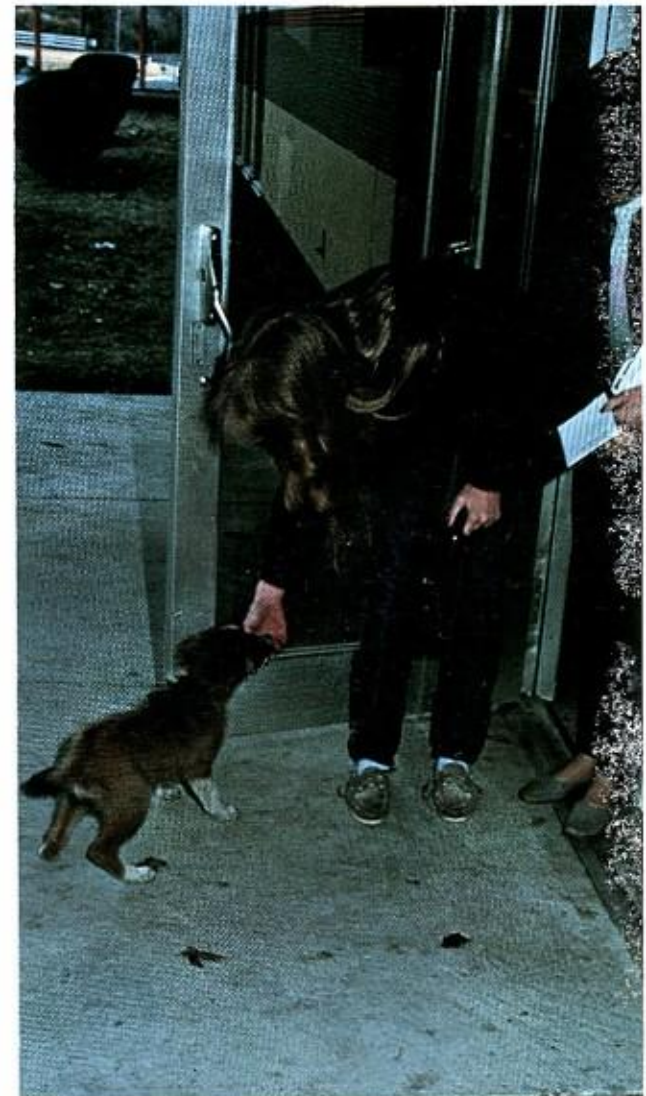

cal day!

That four-legged visitor, a cute little puppy which wandered in one morning, made the day special for the students who stopped to pet him. That bouquet of flowers, that "A" on a quiz, that guest speaker, that teacher who took time to listen, those special friendships: all make up the not-so-typical days, the extra-special days, the never-to-be-forgotten days here at Parkside High School.

PROFILES

During the 1984-85 school year, Parkside hosted a foreign exchange student, Andreas Pantlen, from Oevlinghausen, Germany. He arrived in the United States on August 23, 1984, in New York City, where he toured for five days before coming to Salisbury. He lived with Mr. and Mrs. Jerry Bounds and their son Chris, a junior at Parkside. Selected through AIFS, Andreas earned very high marks in Germany and demonstrated a proficiency in English. His winning

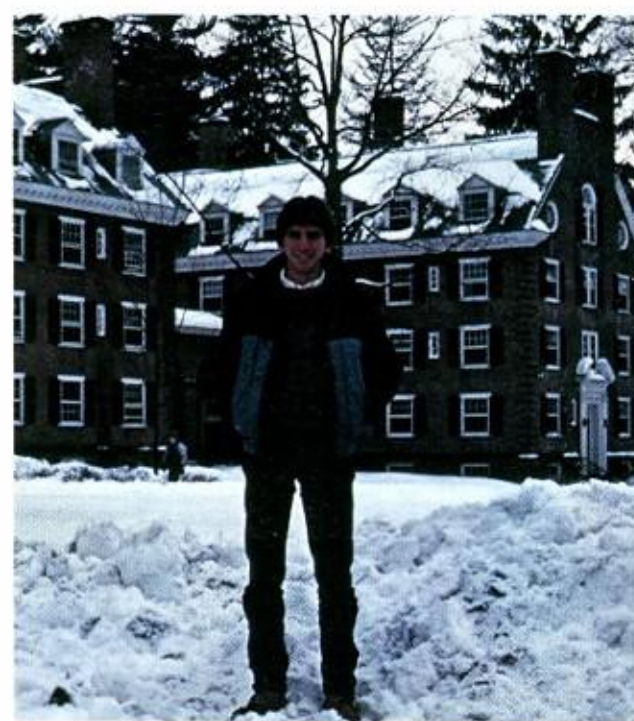

Alex Azar, a Parkside student who qualified to waive his senior year by exceeding a grade point average 3.7, began his college career at Dartmouth in Hanover, New Hampshire, in September, 1984. Making the transition to college life posed no problem for Alex who was able to complete his high school graduation requirements while at the same time begin his college career. He became freshman class student assembly representative, Dor-

Dr. Evelyn Blose Holman was appointed as Superintendent of Schools for Wicomico County effective July 1, 1984. Before coming to Wicomico County, she held the position of Executive Director of Curriculum and Instruction in Frederick County. In 1963 Dr. Holman graduated from Indiana State College with a Bachelor of Science degree. She earned her Master's degree in 1968 and her Doctor of Philosophy degree in 1983 from the University of Maryland. Dr. Holman also studied at Harvard University, Western Maryland College, and Carnegie Mellon. Among some of her educational

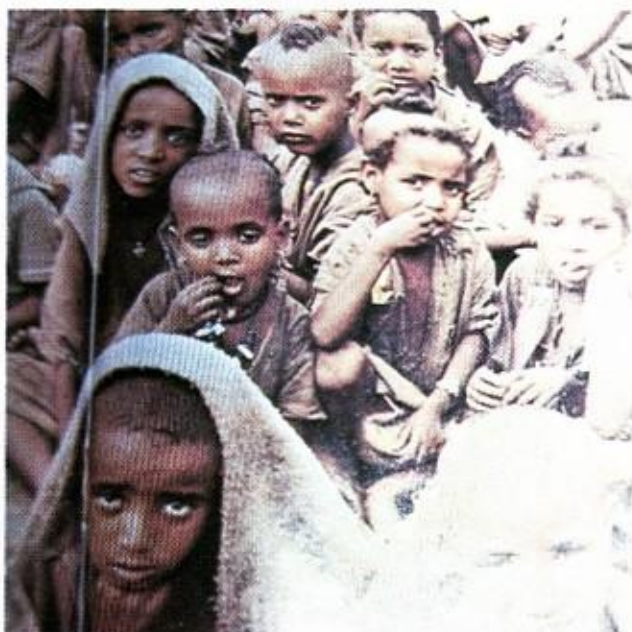

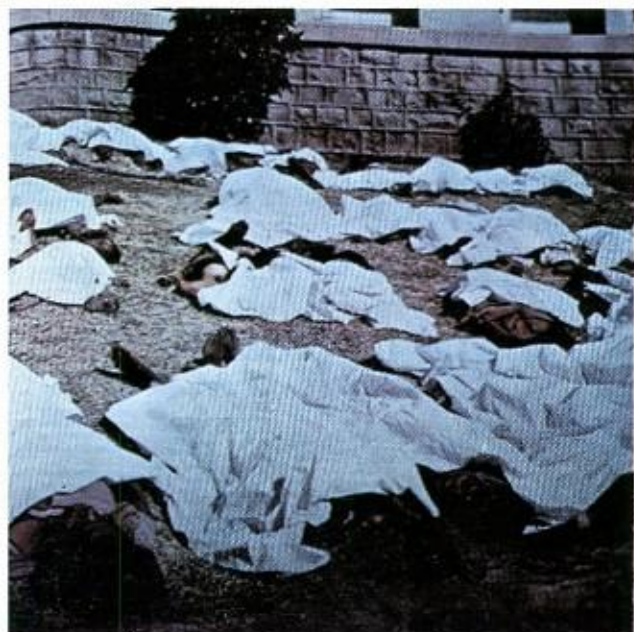

personality was also a factor in his selection. While at Parkside he played on the varsity soccer team, and participated in the Photography, Ski, and Varsity Clubs. After returning to Germany on July 15, 1985, Andreas enrolled in his former school to complete two more years of high school. (He must also serve eighteen months of military training before going to college.) Parkside students enjoyed Andreas' visit and formed lasting friendships.

mitory Cluster Council representative and served on the Faculty Council on Computing. No one noticed that Alex was a year younger than the other freshmen, and he soon became just another "one in the pile" of students at Dartmouth. Although the work was harder, he maintained an A average in an academically challenging situation. The decision to waive his senior year was the right one for Alex Azar.

WORLD AND NATION

Disaster struck on the world scene. In Ethiopia, 7.5 million people hovered on the brink of starvation. In an effort to provide funding for food, many popular artists formed a group called Band-Aid and released "Do they know its Christmas?" The "worst industrial disaster ever" struck in Bhopal, India, when the Union Carbide chemical plant leaked methyl isocyanate, killing over 2,500 people.

Women were in the news in 1984-1985. Geraldine Ferraro, Democrat, became the first woman nominated to run for national office, when she served as the running mate of Presidential candidate, Walter Mondale. Although not elected, the Mondale-Ferraro ticket established a place for women in the highest realms of politics. Capturing the hearts of Americans, Mary Lou Retton became the first U.S. woman to win an Olympic Gold Medal in gymnastics.

Slogans and catchy advertising phrases have always been a way of life in the U.S. The Wendy's fast food chain gained national attention with their "Where's the Beef?" commercials. Also, in a new wave of political interest and patriotism, "I Love the USA" bumper stickers appeared overnight, and prominent magazines, such as *TIME* gave editorial space to the psychology behind the popularity of such slogans.

WORK SCENE

Parkside students work to help pay for the expenses that go along with being a senior high student. Stores such as Benjamin's and Hess cater to the more formal tastes. If Parkside girls aren't working there, they're buying dresses for Junior-Senior Banquet, Prom and other special occasions. O.C. Rags and the Connection, which cater to the more casual tastes, are also popular work and shopping spots.

Painting their faces and climbing trees boosted the spirits of some soccer players.

THE SUMMER SCENE O.C. . . . THE PLACE TO BE!

On the 52nd Street beach in Ocean City, Parkside students tried to beat the summer heat. Some of the beach-goers attempted skimboarding, boogie boarding and surfboarding. Others were content to just lie on the sand dunes or swim in the ocean. Those students who didn't go to Ocean City usually went to the local pools or to Assateague Island.

In the evening, many people hopped into cars and headed toward O.C., either to cruise the Coastal Highway or to the boardwalk. Some Parkside people put on their dancing shoes and

went to Gigolo's, the new teen dance club in West Ocean City. Other students stayed in Salisbury and went to local movie theaters, the Colt League games, the Mall, or to pizza parlors. For many students, however, summer wasn't all fun and relaxation. For some it meant work! A lucky few found jobs in Ocean City; others worked at the Mall or for local businesses. But in August, the band, the cheerleading squad, and the fall sport teams started their long, grueling summer practices.

The Wicomico County education system provides specialized training at the Wicomico Vocational Technical Center, which operates independently of the four regular high schools.

Courses at this center include: Auto Body, Automechanics, Carpentry, Masonry, Medical Services, Plumbing, Service Station Mechanics, Tailoring, Clothing, Welding, Child Care Assistant, Apparel Manufacturing, Office Practice and Steno Co-op.

Below: Michelle Johnson cuts fabric to be sewn.

Below: David Hudson demonstrates how to weld metal together.

Below: Debbie Pryor and Beth Powell type in their computer programs.

Students leave the home school and travel to the center for half a day. Courses are offered to Juniors in a morning session and to Seniors in an afternoon session.

One advantage of the Senior program is on-the-job training. Local employers hire students and pay them as they learn valuable skills.

For students who are not pursuing a college career, Vo-Tech provides an opportunity to learn a trade while still in high school.

Concert Choir

The Parkside High School Choral Program consists of two groups — Intermediate Choir and Concert Choir. Intermediate Choir is made up of students who enjoy singing and generally have had no prior vocal training. Concert Choir consists of students who have been selected on the basis of audition.

Choir members had a very exciting and successful year. High-

lights included performances for Christmas, Eastern Shore Choral Directors' Festival, The Tenth Annual Spring Concert, Baccalaureate Services, and Commencement. This year's fund raiser was *The Price Is Right*, a program based on the television show. Field trips were taken to Toby's Dinner Theatre and King's Dominion. Eight Concert Choir members participat-

ed in the first All-Shore Chorus, and fourteen performed with the All-County Chorus. Veronica Palmer and Lawrence Purnell took part in the 1984 All-State Chorus Concert in Towson, MD. Lawrence Purnell was selected to perform with the MENC All-Eastern Chorus in Hartford, Connecticut.

The Rams had an excellent season despite many hardships along the way. They finished the year with a 7-3 record, an outstanding accomplishment considering no game was played with a full squad of starters. The biggest upset was Senior Andre Scott suffering from a hairline fracture of the wrist. After that, Ram after Ram fell victim to the injury bug.

The highlight of the Ram season came when they upset Stephen Decatur 23-12. The Decatur coach remarked, "They soundly beat us at our own game."

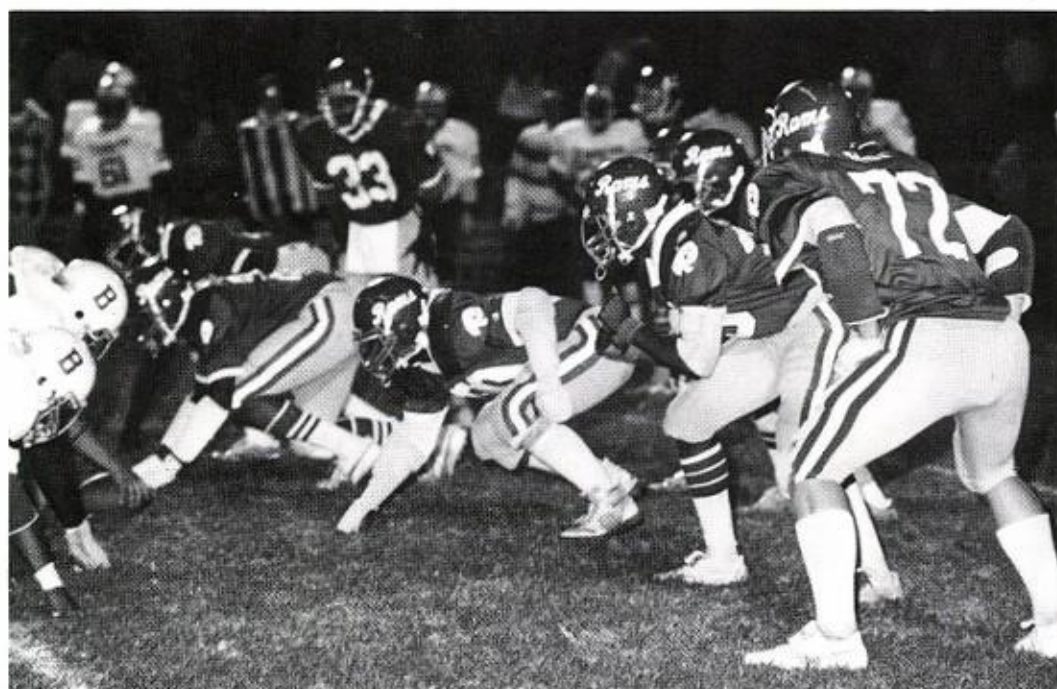

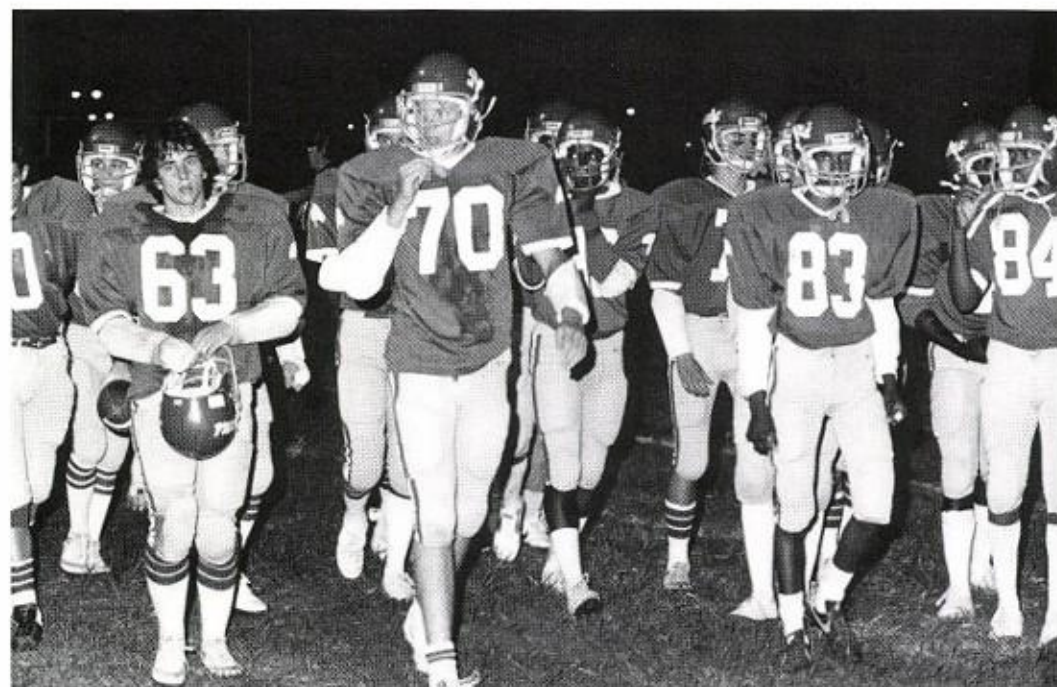

Coach Briscoe summed up the season best, "Desire and teamwork put this team together and they won when they should not have."

Defensive End Darrell Brow and Kicker Jai Isear were selected to the All Bayside First Team while Lester Dale and Horace Bratten made All Bayside Second Team.

Awesome defense, great scoring, and the right attitude proved to be the perfect combination for Coach Hall's team. The 1984-85 soccer team ended a fine season with 7 wins and 4 losses. Injuries were a serious problem for the Rams but each member pulled together to make up for the losses. Senior Bryan Watson is to be congratulated because he was selected to play in the All-State game. Bryan "showed what the south had" when he scored the only goal. Way to go Bryan! Coach Potter did not expect her team to reach the State Field Hockey Tournament. In fact, she was concerned that her Rams might not produce a .500 season, so it was a pleasant surprise when the Lady Rams defeated Elkton to win the Region IV title and earn a spot in the State Semifinals. Although the girls suffered a heart breaking 3-0 loss to #1 seed Hureford, the season ended successfully with a 10-4 overall record. Coach Potter states "I'm extremely pleased with the way these girls played this year. I really wasn't expecting such a good season, but I'm glad they proved me wrong."

Sharing scoring honors were Terri White, Lisa Stephens and Penny Parsons. Liz Downes, Karen Hall, Terri White, Karen West, Sandy Ebelein and Kim Leager contributed to the 10-4 record by holding the defense together.

The coaches and remaining players wish the following seniors success in the future: Kim Leager, Terri White, Ginger Cooper, Penny Parsons, Karen West, Terri Somers and Liz Downes.

Regionals

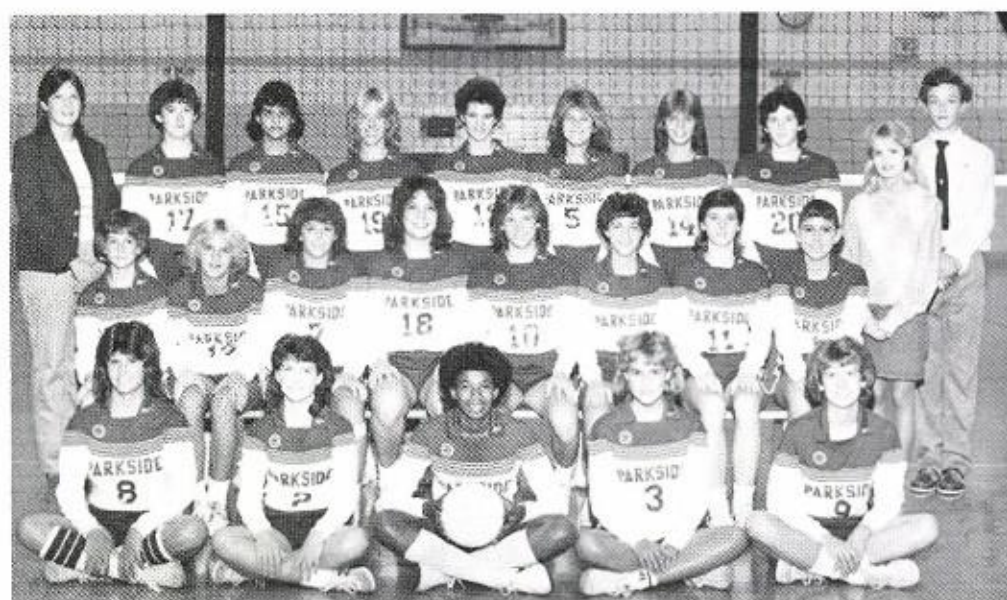

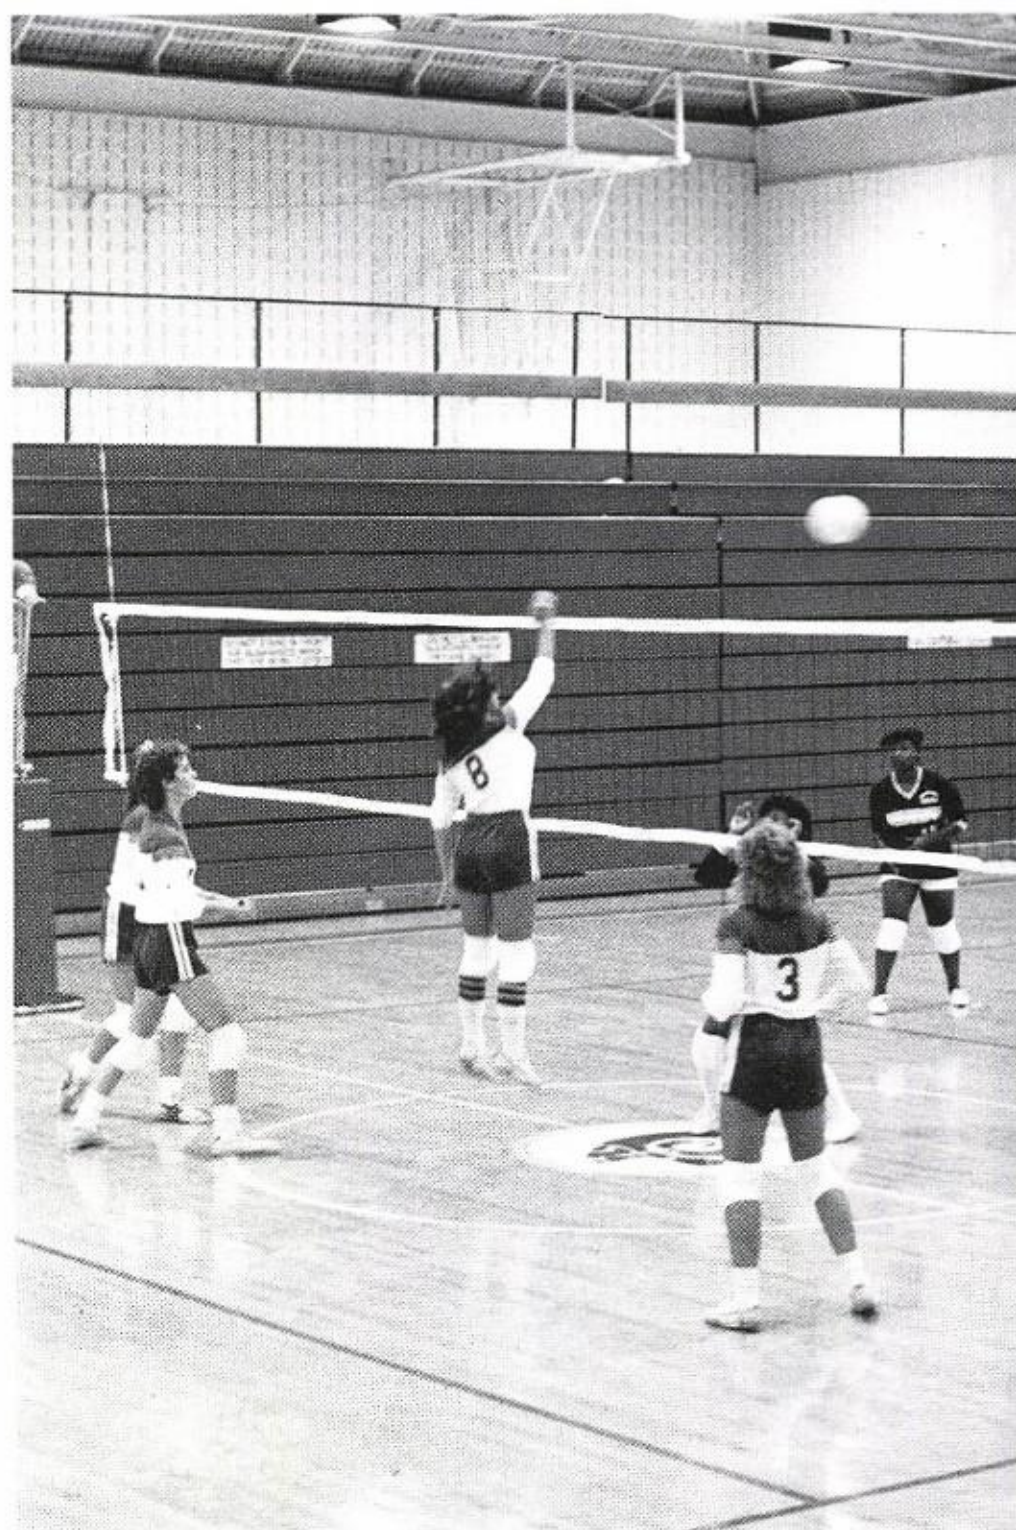

The 1984 Parkside Volleyball team had a successful season with a 8-3 record. With only one senior, Alece Shockley, the team managed to earn third seed in Regional competition.

The highlight of the season was the first Wi-Hi match, an all out effort by the entire team! Mrs. Westbrook was pleased with her young and inexperienced team and said, "The players never lost their enthusiasm and spirit for the sport we all love."

Key players on the team were Alece Shockley, Jill Seawell, Kim Oliver, Lisa Killmon, Mary Rogan, Kim Walston, and Christina Savage. Alece Shockley and Jill Seawell were both voted MVP and Lisa Killmon was the Unsung Hero. Four of the starting six players were mentioned in the All Bayside Teams: Alece Shockley and Jill Seawell — first team; Kim Oliver — second team; Lisa Killmon — honorable mention.

The 1984 golf team was fortunate to have several returning seniors as well as the addition of two promising freshman. The team finished an impressive second in the District 8 championship held at Green Hill. This win made the golf team eligible to compete in the state tournament at the University of Maryland. Unfamiliar with the college park course, most of the team didn't play up to their potential, but still managed to finish 11th in the state. Senior David Ziara was chosen as the MVP while Matt Auman received the Unsung Hero award.

"They fought for everything they had. I couldn't ask for anymore." Coach Lewandowski's statement after a Lady Ram victory. This statement can describe the entire 1985 basketball team. The Lady Rams ended their season with a 19-4 record. This is the second best record in the team's history. Each member of the team combined efforts for a successful season. The girls advanced to state playoffs by defeating Cambridge in the Regional tournament but lost to a tough Harwood in the state tournament. A special congratulations goes to Senior Alece "Shock" Shockley. Alece ends her high school career being the first Lady Ram to score over 1,000 career points. Retiring seniors are Liz Downes, Susan Elias, and Alece Shockley.

With no intimidating nicknames, no superstars, and no front page coverage, the 1985 Wrestling Team beat the odds by sending six wrestlers to the State Tournament. Darrell Brow, Horace Bratten, Jo Bailey, B.J. Jones, Billy Clark, and Steve Martin combined efforts and brought home an impressive eighth place in the States. Darrell Brow, who wrestles in the 187 weight class, and heavyweight Steve Martin received second place finishes while Billy Clark received fourth. At the Regional Meet held at Parkside, Steve Martin and Darrell Brow received first. Newcomer to the squad, Horace Bratten, and B.J. Jones received second. Senior Jo Bailey and Billy Clark finished third. Congratulations to the Wrestling Team for a very fine season!

Bayside Champs

The Year of the Streak

Parkside's 1985 Varsity Baseball team won their first 18 straight games before losing their only game to Northeast High of Anne Arundel County in the first round of the State Playoffs. Finishing 18-1 the Rams captured several titles in the fantastic season. Undeclared in regular season play, they were CITY CHAMPIONS, BAYSIDE SOUTH CHAMPIONS, and BAYSIDE CHAMPIONS defeating North Caroline 9-1. The team recorded the most wins and the longest winning streak of any other baseball team in Parkside's history. The team had a .360 batting average with 9 runs a game while allowing only 1.5 runs per game. The pitching staff had a 0.97 ERA. The coaches, Mike Golnick, Andy Hall and Gary White, thank the team for the memories and wish the 7 graduating Seniors — David Ziara, Allen Jones, Kevin Lucas, Jeff Grizzel, Rich Wrenn, Ryan Owens and Scott Wynn — continued success in the future.

Ginger Cooper, Tricia VanDornick, and Jill Tingle give it all they've got in the mile run.

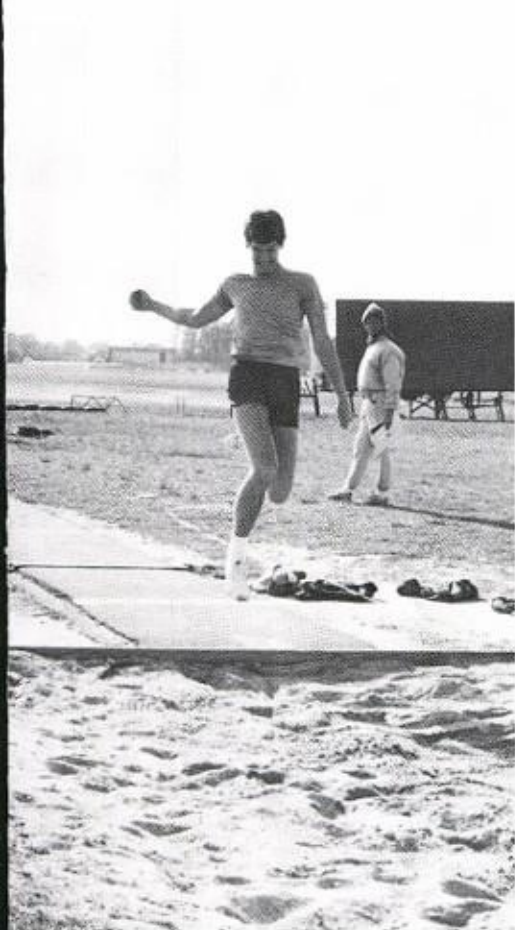

The 1984-85 girl's track team opened their season with many new and young faces. Although the team was inexperienced, Coach Potter considered this year a great success. Ten girls qualified for the state meet held on May 23. Kim Clark, Stephanie Harmon, Jackie McKee, and Danielle Winslow were the members of the 440 relay. Ginger Cooper, Tricia VanDornick, Jill Tingle, and Kim Webster ran the 3200 meter relay. Sheila Bell threw the shot put while Twana Corbin competed in the long jump, shot put and discus.

Jackie McKee was named the Unsung Hero and Sheila Bell was awarded the Most Valuable Participant award. Ginger Cooper, Tiffanie Zullo, and Manager Pam Conway are the graduating seniors.

The 1984-85 track team was coached by Mr. Lewandowski and Mr. Pump. Four returning Juniors competed this year. Mark Gardiner and Bill Jones combined efforts to dominate the long jump and triple jump in almost every meet. Mike Settles and Darrell Brow paired up to dominate the shot put and the discus. Dwight Jackson along with Jay Trader held their own in the sprinting events. The two mile relay team composed of Rod Parsons, Ed Agshead, Chris Lesser, and Dwayne Maddox did extremely well this year and captured the third place finish in the Bayside Meet.

Mark Gardiner received the Most Valuable runner award and Mike Settles was named the Unsung Hero.

The Parkside Girls' Tennis Team had a terrific season, losing only one match in the regular season to finish with a record of 11 wins and 1 loss. Their Captain, a senior, April Lange, led the team in number one seed all four years of her career at Parkside. April captured the title of Women's Singles Champion at Districts, accompanied by the doubles partners, Amy Hutchins and Lyn Heineken. Chosen by the team, April was the most valuable player. Coach Brewington chose Jenni Poteet for the Unsung Hero. Irv and the team wishes the graduating Seniors — April Lange and Jenni Poteet — Good Luck in the future.

Class Song: "Through the Years" by Kenny Rogers

As we entered Parkside in the fall of 1981, 266 Freshmen took their first steps into the wonderful four-year institution we call high school. We were wary of what to expect those first few days, but as the weeks progressed, we 266 Freshmen found we could accept Parkside's challenge.

The class of 1985 chose as President — Susan Elias, Vice-President — Nicole Morris, Treasurer — Karen West, Secretary — Tricia Harkins, and Historian — Melinda Bradford as the class officers to help us through our tedious Freshman year. "Cinderella's Ball" was the theme for our Freshman Homecoming, and Karen West and Arlette Kelly were our Homecoming representatives. Although we didn't place in Homecoming hall decorations, we did place fourth in spirit.

Even though summer seemed extremely short, 268 Sophomores re-entered Parkside with one year completed and three to go. We chose our officers: President — Darryl Brow, Vice-President — Nicole Morris, Treasurer — Ginger Cooper, Secretary — Karen West, and Historian — Michele Turner. We prepared for yet another hectic school year. Our Sophomore Homecoming theme was "Come Sail Away," and Laurie Marberger and Arlette Kelly were chosen as our representatives. We placed first in Homecoming spirit and third in hall decorations. Also in our Sophomore year we held our first fund raiser, the "M & M Guess", to raise funds for our Senior Prom.

As 253 Juniors entered Parkside for another fun-filled year, we held our heads a little higher because we had two years already completed. Our officers were Jeff Shipp — President, Karen West — Vice President, Ginger Cooper — Treasurer, Penny Parsons — Secretary and Arlette Kelly — Historian. Our Junior Homecoming theme was "Rams in Wonderland," and Karen West and Ginger Cooper were our representatives. Finally, as Juniors, we knew we had learned from our mistakes: we won first place in hall decorations and a questionable second in spirit. As a fund raiser we held a rugby sale which would also benefit our Senior Prom. One more activity that year was the Jr.-Sr. Banquet. The Banquet was a success and we set a precedent for future classes by having a dance after the banquet.

1985 Finally arrived. We were Seniors at last! Our class leaders were Karen West — President, Ginger Cooper — Vice-President, Carren Carper — Treasurer, Penny Parsons — Secretary, and Jenni Poteet — Historian. This year we were pleased to have an exchange student from Germany, Andreas Pantlen. When Homecoming arrived, our theme was "Aladdin's Castle," and we dominated the rest of the school by placing first in both hall decorations and spirit. Karen West was chosen Homecoming Queen with her attendants Ginger Cooper and Penny Parsons. Darryl Brow was chosen Homecoming King with his attendants Craig Leak and Andre Scott. After Christmas we were devastated by the death of our fellow classmate Denise Truitt. As we struggled to deal with our loss, we continued to make plans for the end of the year. Although there were many dances, fund raisers, and pictures, we all looked forward to May. Prom was held on May 3 with the theme "Gone with the Wind" and band Crash Davenport. Baccalaureate Service was held on Monday May 20 followed by Senior Awards on May 21. On May 31, 1985, 223 Seniors received diplomas.

Respectfully submitted,
Jennifer Poteet
Class Historian

Shining Sun

Now you're gone, I realize,
You were a precious friend.
You brightened up my cloudy skies
And loved me to the end.
You led me to my real self
And showed me who I am.
You took my heart right off the shelf
And you showed me that I can.
So now I'm thanking you, my friend
for everything you've done
And to you and only you I send
my glimmering, shining sun.

By Helen Fears

In Remembrance

As we continue through life,
When your time has come to an end.
We express a concerned sigh,
for the loss of a special friend.

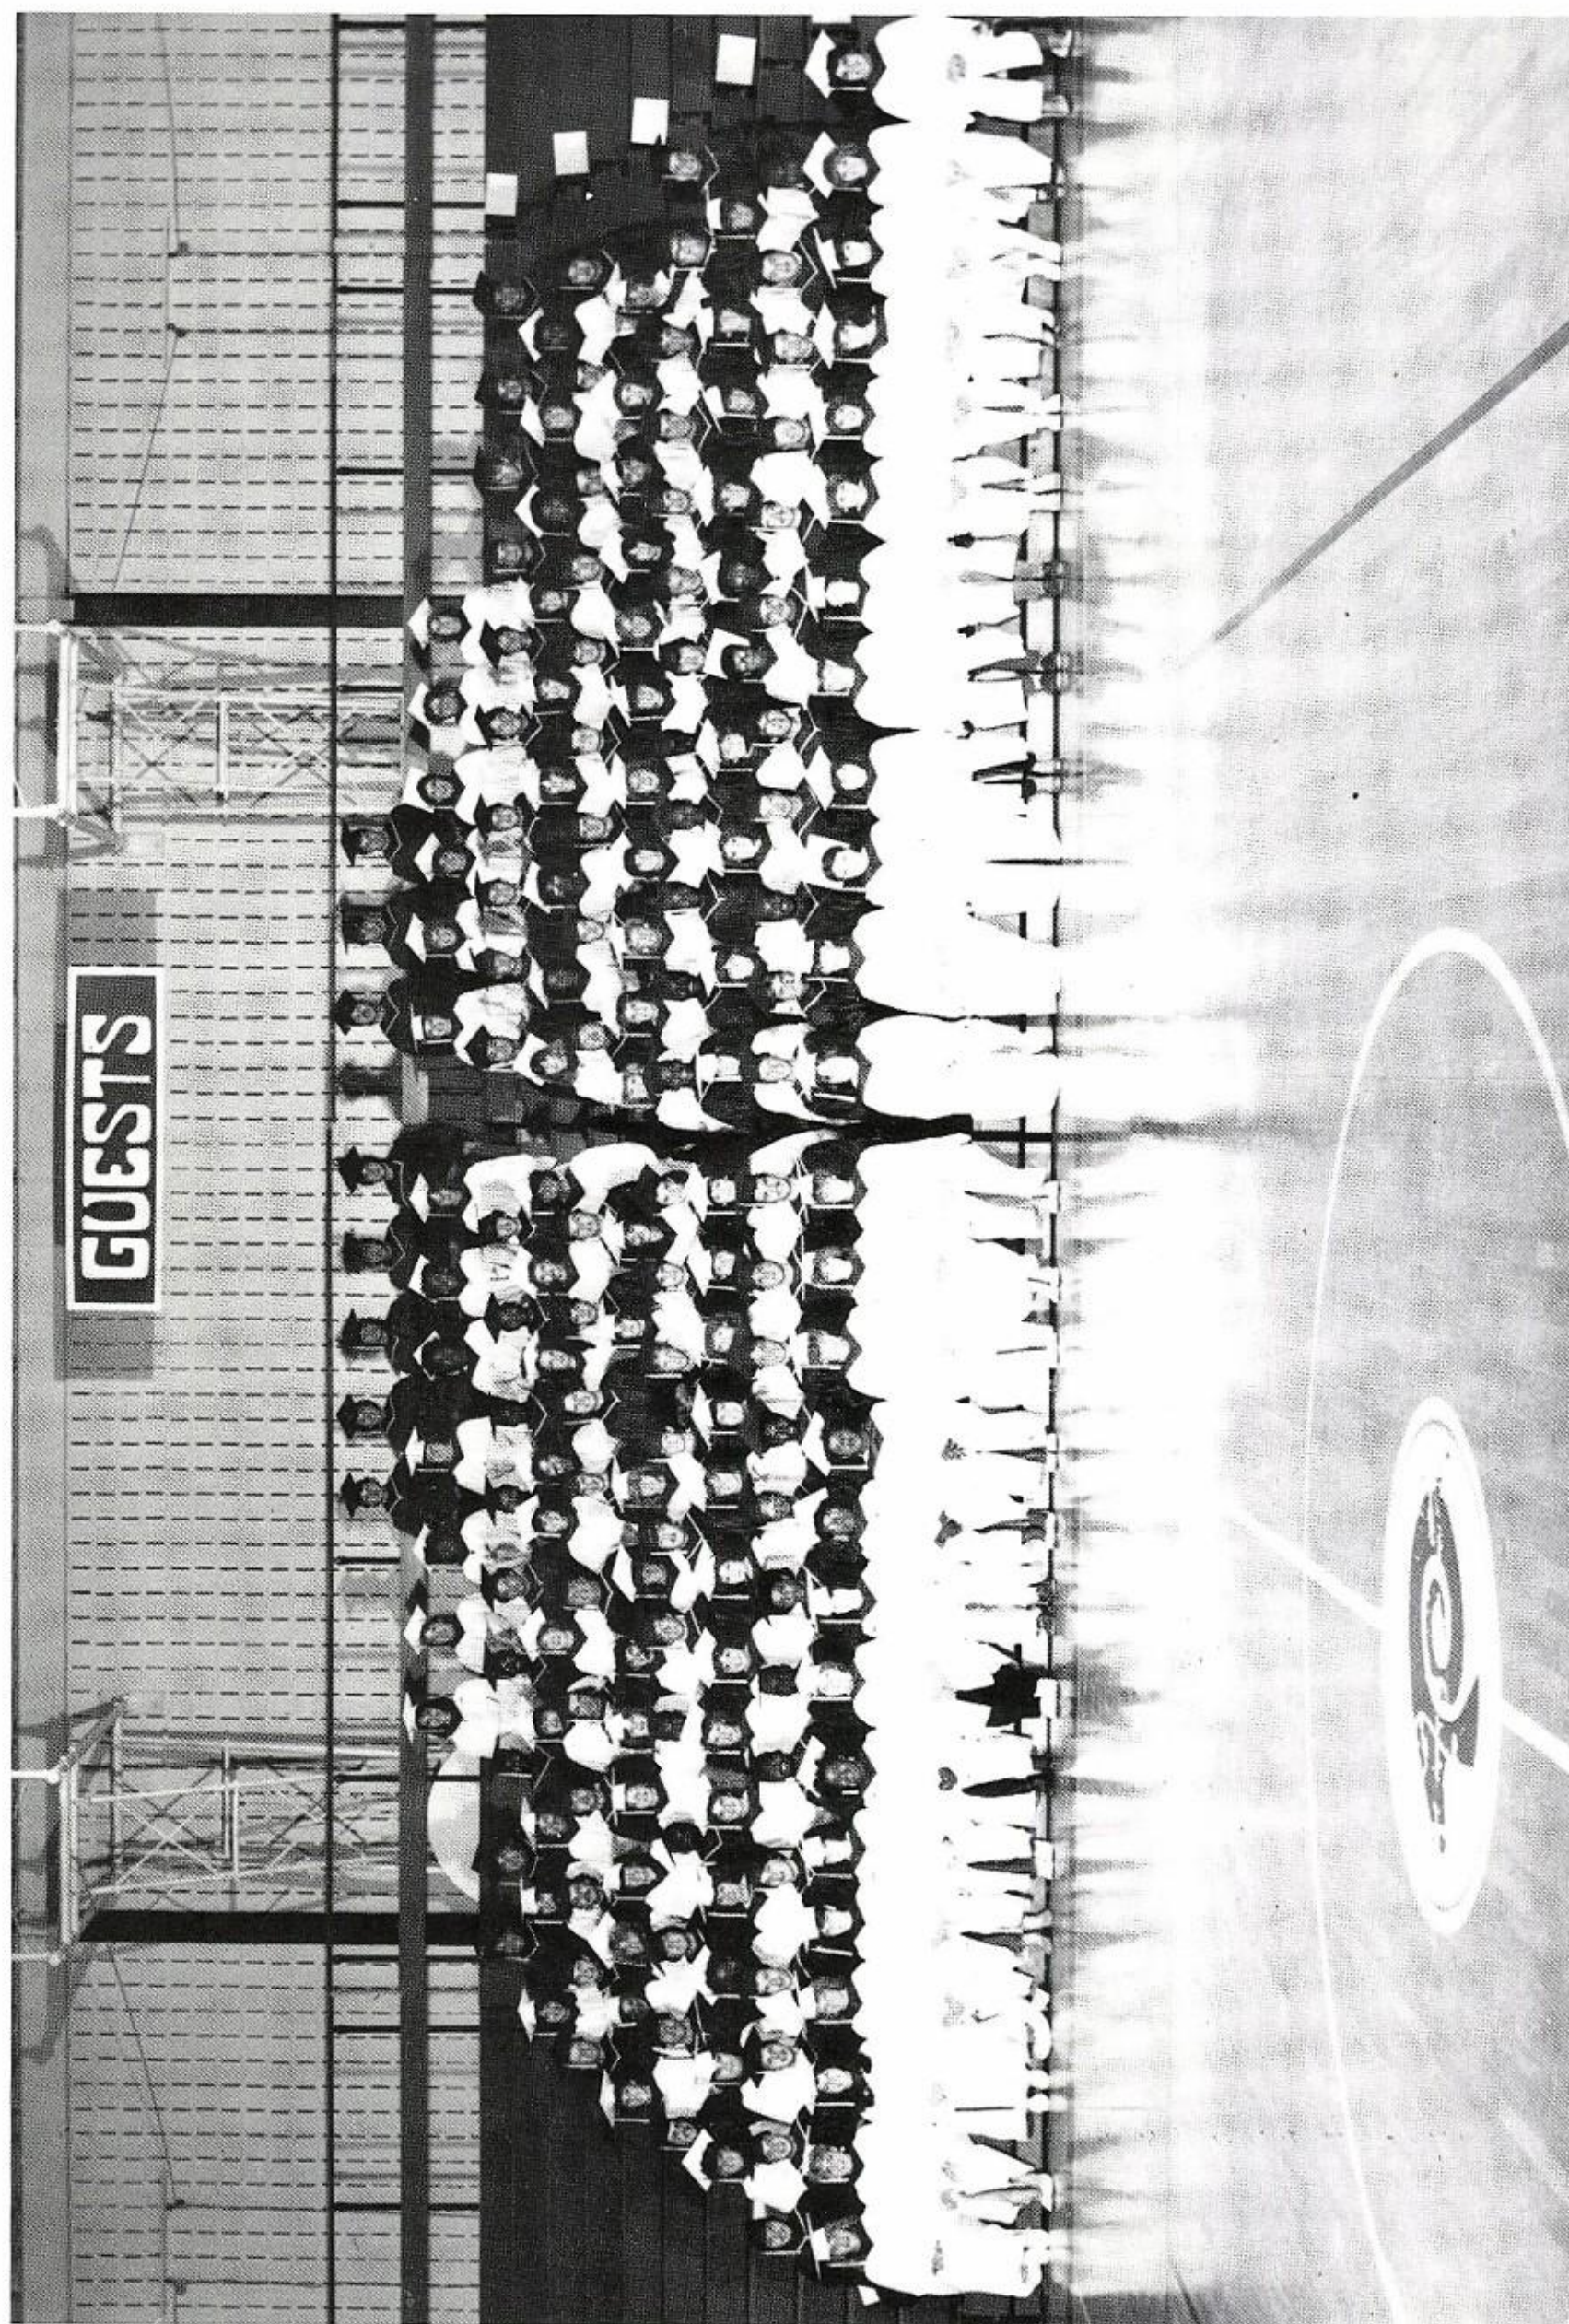

We'll miss you always,
as we reminisce of the past years,
to remember your cheery smiles and laughter,
fill our hearts with many tears.

Although you are at peace,
and quite at rest.

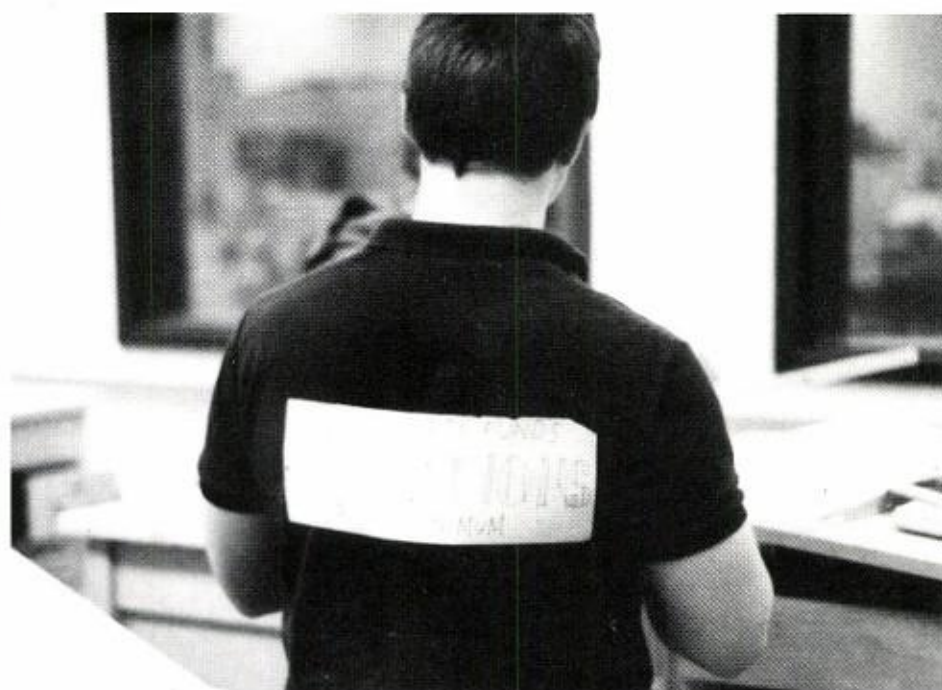

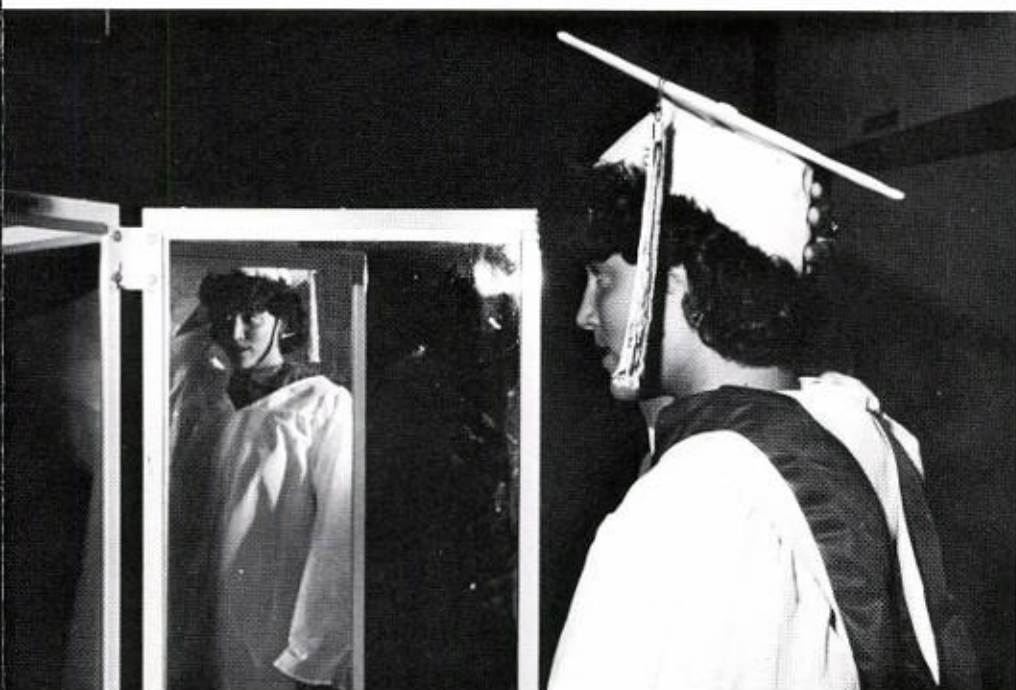

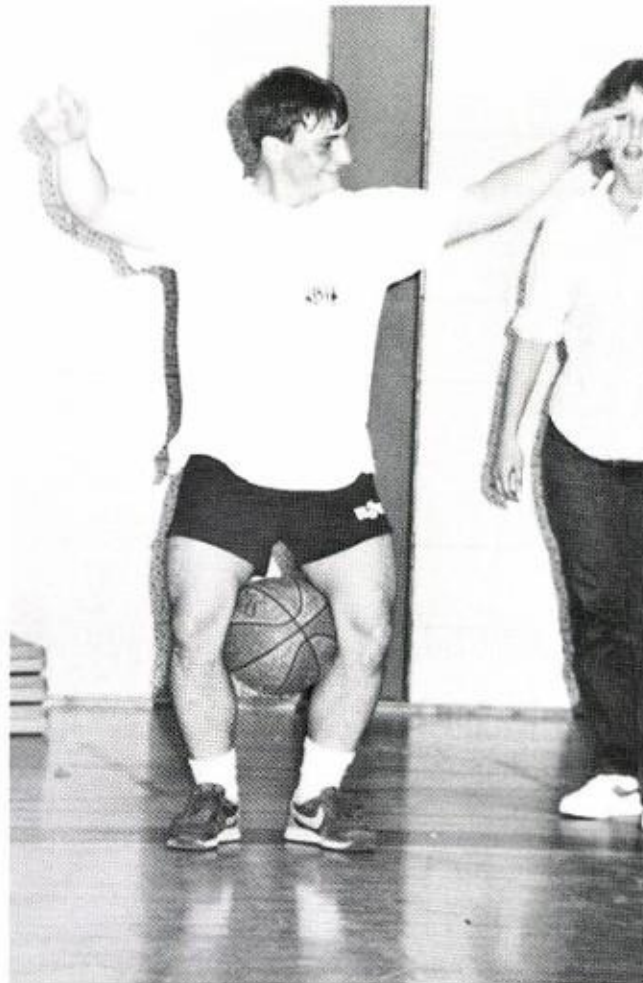

We just want to tell you,
the past years with you have been the best.

You loved life so much,
and your friends too,
so this special poem
is dedicated to you.

By Tiffanie Zullo

THE GRADUATING CLASS OF 1985

FAREWELL, HIGH SCHOOL

As we journey through life in the midst of all the days, thoughts of our future, friends, and fantasies, overflow our minds in thousands of ways. our senior year has arrived so fast; previous years have been great, but we can't relive the past, from football games to fancy dances, treasured high school years don't get second chances. Teachers, companions, and influencing peers, escort us through happiness and comfort us through tears. These are the people we can't forget, for it seems only yesterday we all just met.

It hurts to leave the ones who mean so much; everybody is uniquely special, so please keep in touch. When we embark on life's adventurous trail, we've escaped easy street, but no need to bewail. From working, to college, and the service, too now is the time to show what we can do. So reach for the stars and be who you are, with an optimistic outlook, you're sure to go far. Broaden your dreams, and strive for the best, shoot for the top, and don't settle for less.

Tiffanie Zullo

Our Town

On October 25 and 26, 1984, Parkside's Senior Class presented *Our Town*, written by Thornton Wilder and directed by Ms. Dorothy Yeatman.

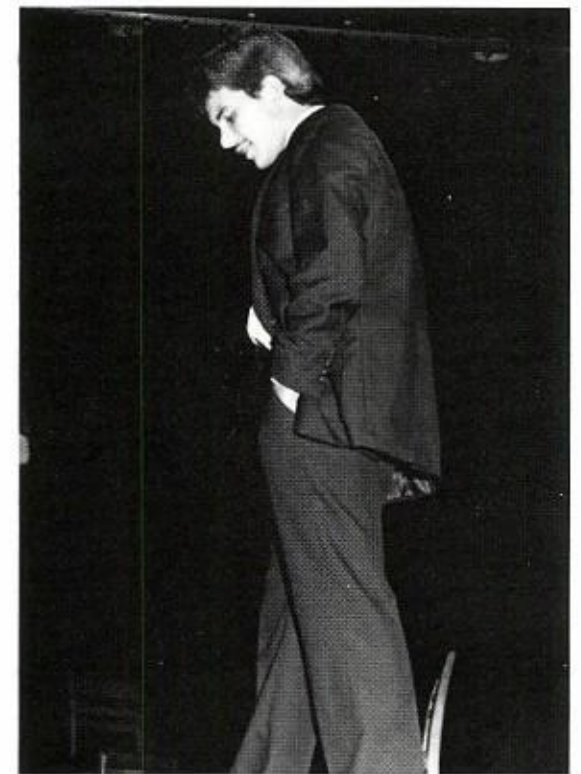

Our Town, which won a Pulitzer Prize for its author, is one of the best-loved and most often presented plays in American theater. It follows the lives of two families, the Webbs and the Gibbses, who live in Grover's Corners, New Hampshire in the early 1900's. Focusing specifically on Emily Webb and George Gibbs, the play shows us three days in their lives, tracing their growth from childhood school days, into adolescence and marriage, and finally to Emily's death, completing the great cycle of human existence. And yet death is not the end: Wilder shows us that it is merely the beginning, and that both the living and the dead are joined by the perfect bonds of love.

Left: Dr. Gibbs (Jeff Middleton) and Joe Crowell (Tracy Austin) discuss the morning news. Below: Stage Manager (Marla Van Hoose) gives background information about Grover's Corners, New Hampshire.

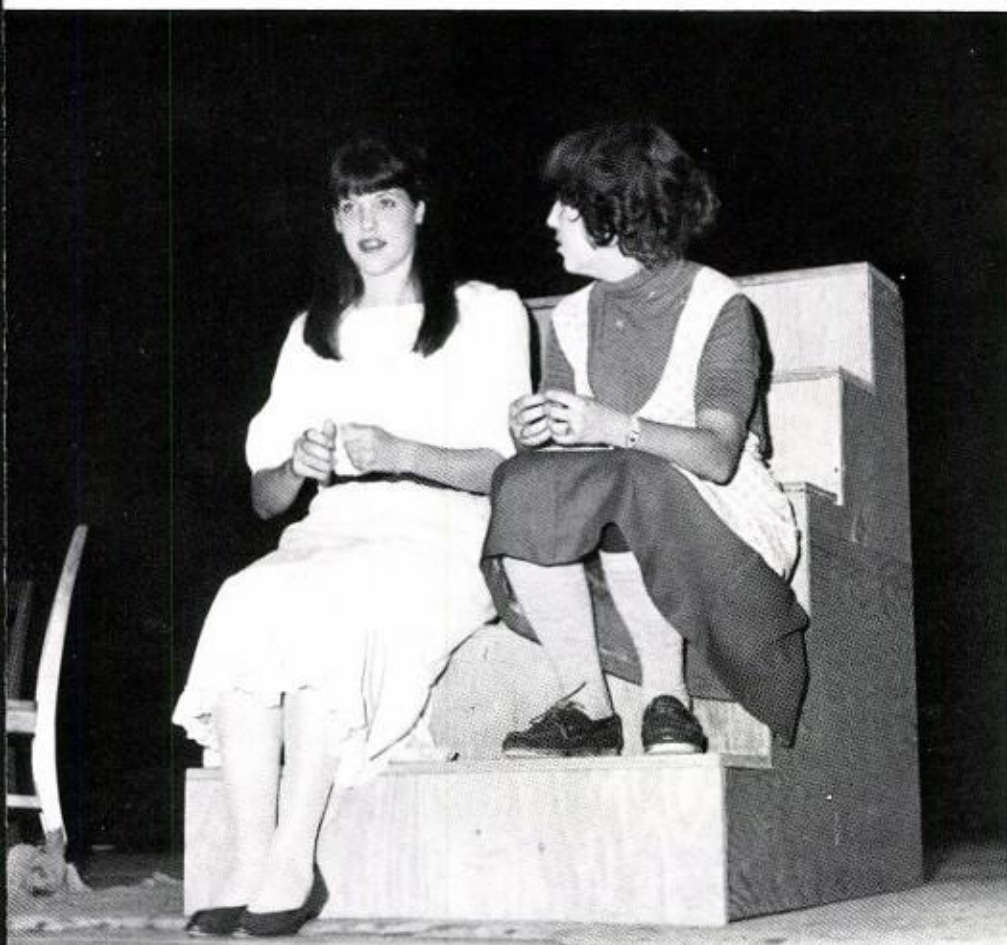

Below: Mr. Webb (Drew Christian) gives sociological data of *Our Town*.

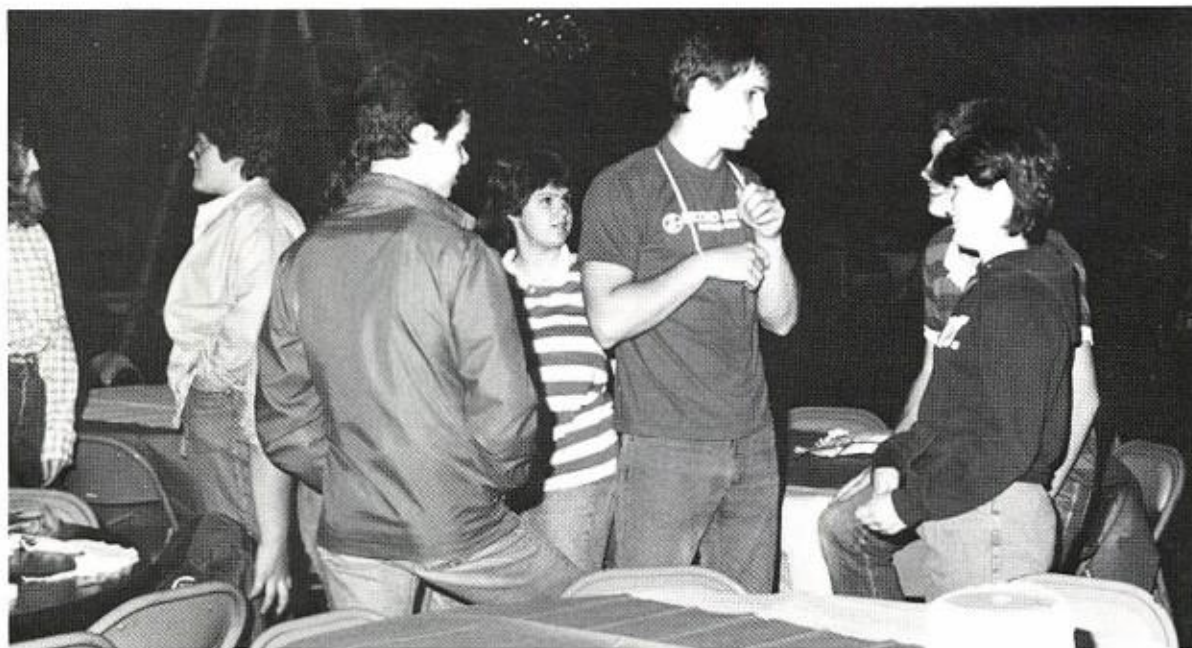

Upper Left: Mrs. Soames (Michelle Turner), Mrs. Webb (Bonnie Jean Johnson), and Mrs. Gibbs (Teresa Twilley) discuss Mr. Stimson's problem with drinking.

Above Right: George Gibbs (Stewart Mitchell), Rebecca Gibbs (Jennifer Groton), and Mrs. Gibbs (Teresa Twilley) enjoy breakfast together.

Left: Emily Webb (Judith Hayne) and Mrs. Webb (Bonnie Jean Johnson) talk about life.

Gone With the Wind

Left: Jim Trumble and Marla Van Hoose discuss the table decorations.

Below: Robert Tilgham is hard at work on the theme posters.

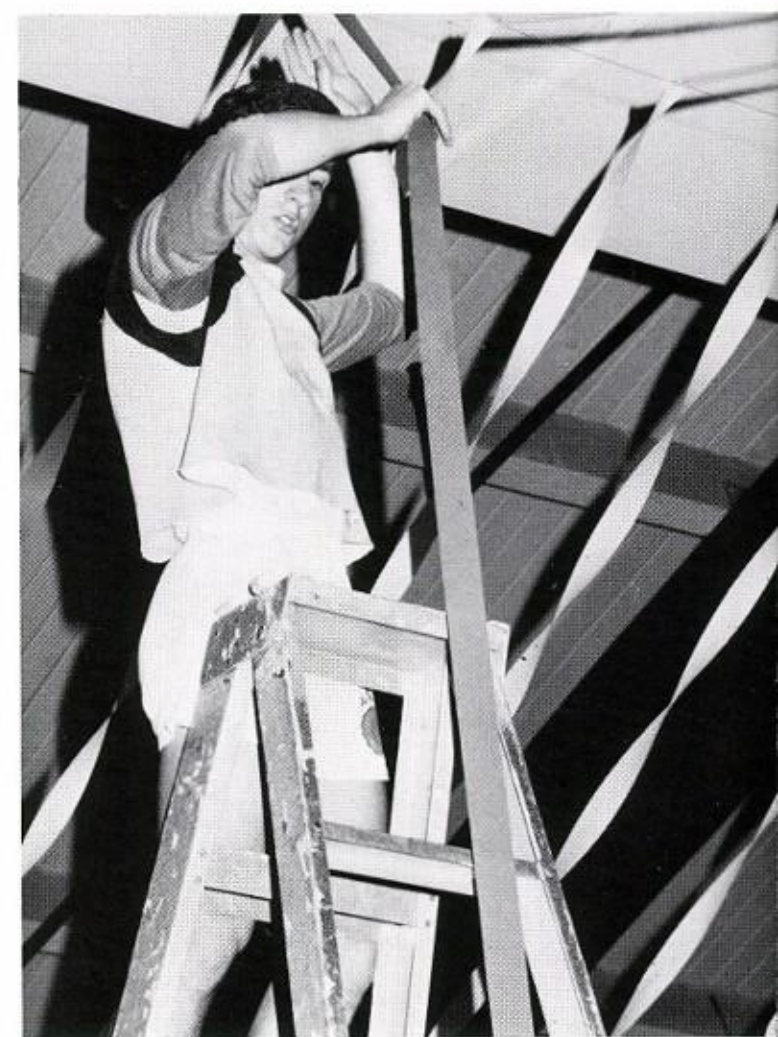

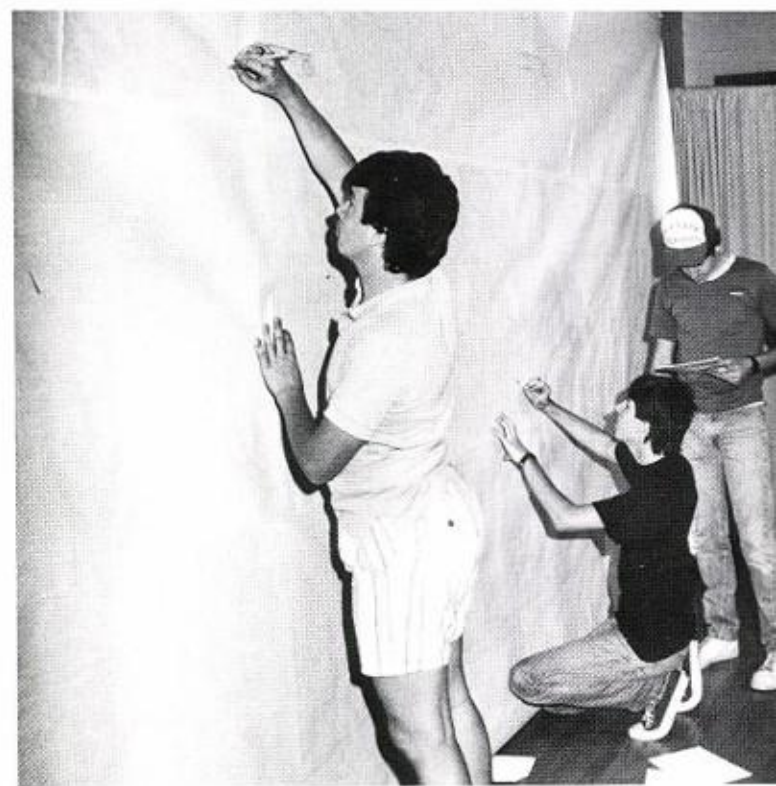

The Senior Prom was held on May 3, 1985. Seniors met in March to decide the theme, "Gone With the Wind", and to select decoration committees. Meanwhile, the senior parents were hard at work planning a breakfast for after the prom.

On May 1 and 2 the seniors started decorating the Midway room of the Civic Center. They began making cloth fans for the tables and lace hats to hang from the walls. Finally the decorations were finished and last minute arrangements were carried out.

Seniors began arriving at the Civic Center around 8:00 p.m. Friday night, greeted by the tunes of "Crash Davenport". Barry Baker, school photographer, took pictures of everyone. Soon it was time for Grand March at 10:00 p.m. Parents and friends lined the walkway as Parkside seniors and dates paraded in their fancy attire. At 12:00 a.m. Christophers catered the breakfast, and the band continued to play until 2:00 a.m.

Seniors extend special thanks to the senior parents and class advisors for all of their hard work and love.

The 1984-85 school year was a productive, fun-filled year for the class of '86. Juniors began the year with a Peppermint Candy Guessing Game fundraiser. Judith Hayne won the prize, a "Cabbage Patch" doll, which she donated to charity. Juniors raised \$56.80 on this fundraiser.

In October, Lisa Killmon and Lisa Stephens represented the juniors on the Homecoming Court. Juniors placed third in hall decoration competition and made an impressive show of spirit at the pep rally and game.

Another school-wide fund raiser, the magazine sale, netted the juniors, who placed second, \$100 for the treasury.

Several class meetings occurred during the year. One such meeting was held at the Pizza Hut where plans were set for the Junior-Senior Banquet held on April 19. The banquet was a tremendous success.

When the SGA sponsored a Spring Carnival, the juniors operated a dunking booth, one of the more popular attractions.

The last fund raiser was selling boxer shorts with the Parkside Ram printed on one leg. Profits totaled \$108.00.

Juniors ended 1985 looking forward to one final year at Parkside.

Sophomores enjoyed the popular movies of 1984-85.

The academic school year, 1984-85 for the class of '87 was unique and special. Although our "Parkside Rams" T-shirt fundraiser didn't do as well as expected, it gave us sophomores even more determination. We had a few class meetings in the cafeteria to discuss fundraisers.

In the late fall, Wendy Bell and Kim Clark were chosen for the Sophomore Homecoming Court. We managed to place distant second to seniors in the hall decorating contest and we expressed great enthusiasm and spirit.

The year progressed and Spring arrived, soon All Sports Night was held. Unfortunately, the sophomores came in a depressing last place; but showed good sportsmanship.

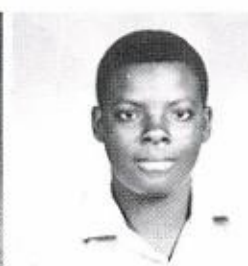

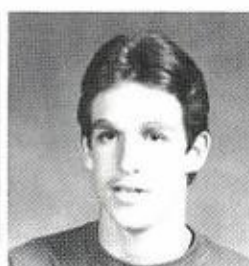

At the Junior-Senior banquet, many sophomores volunteered to serve and help in the kitchen to make the banquet a success.

At the SGA sponsored Spring Carnival, the sophomores managed a "spin the wheel" and "coin toss" booth and the activities boosted our treasury.

Sophomores are looking forward to the remaining two years at Parkside.

On September 4, 1984, Parkside High School welcomed the class of 1988.

As freshmen at Parkside, we expected to learn, to participate athletically and socially, and to contribute in a positive way to our school.

We soon adjusted to schedules and easily made new friends. The time arrived to decide who was going to lead the '84-'85 Freshman class through the year. The emerging winners of class office positions were as follows: President, Tony Quinta; Vice-President, Brian Massey; Historian, Steve Robinson; and Treasurer, Kim Lennox; Terri Ritter, Secretary.

Homecoming was soon upon the students. The Freshman class finished strongly in all spirit week activities. The Freshmen also showed their school spirit by placing a respectable second place in the All Sports Night games, second only to the seniors.

The Freshman class of '84-'85 has three more years to complete it's goal of graduation. This year was a strong step in the right direction.

The Pink Panther Strikes Back

"The Pink Panther Strikes Back" was presented February 7th and 8th at Parkside High School. The play was directed by Ms. D.A. Yeatman, assisted by Lesa Hudson and Tracy Austin.

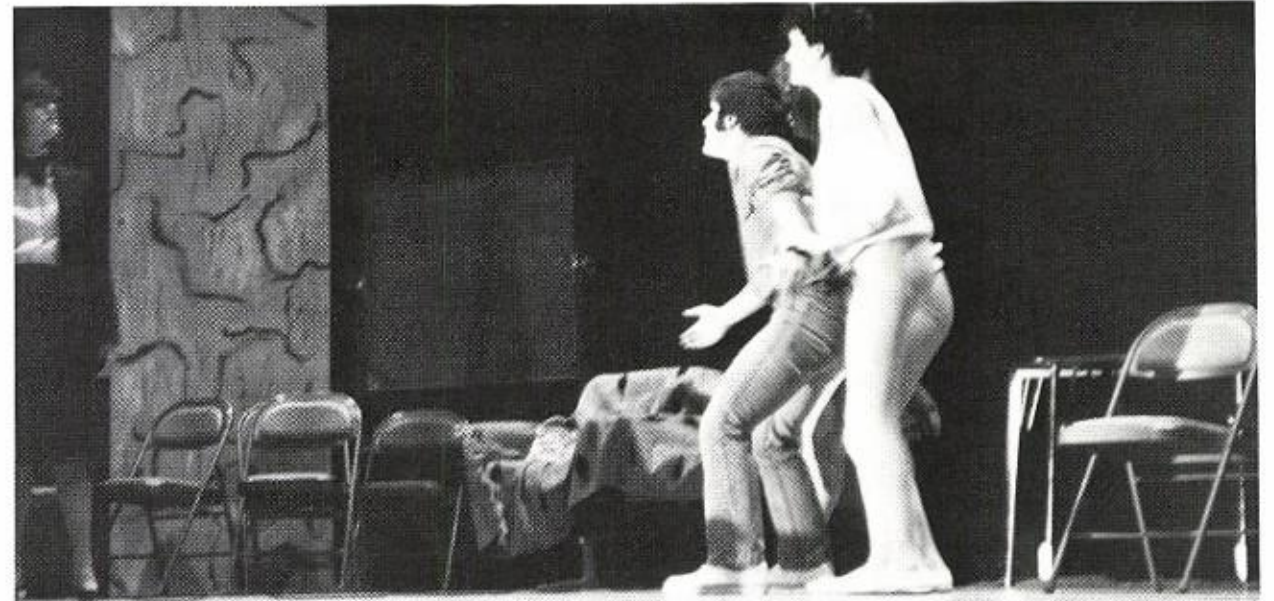

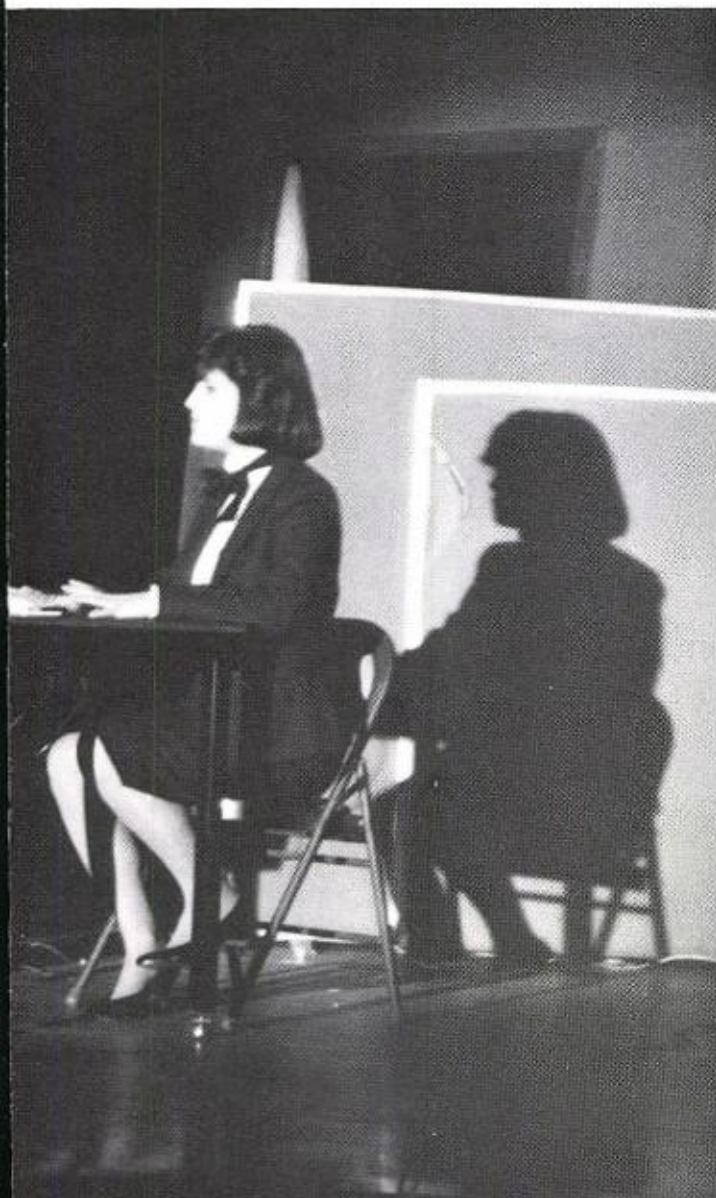

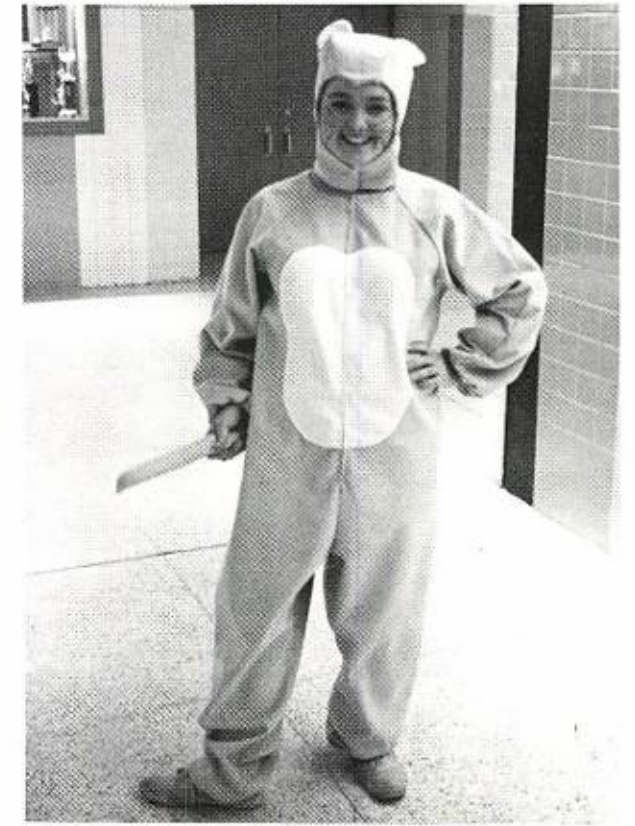

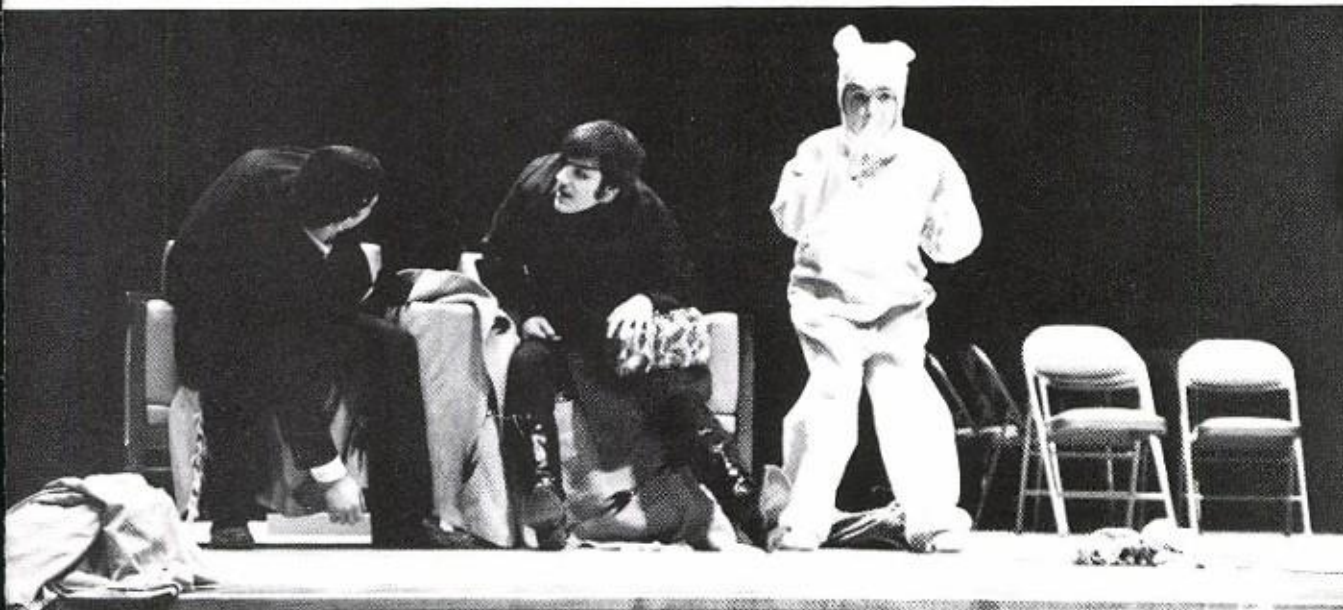

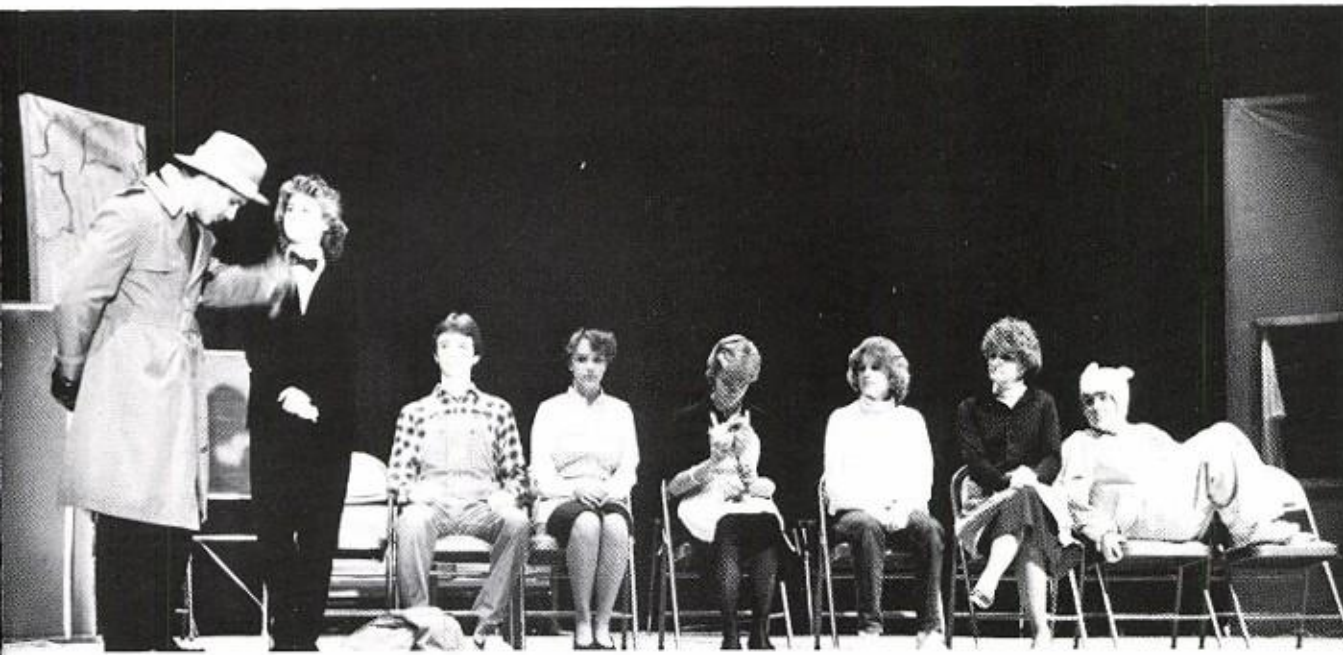

"The Pink Panther Strikes Back" is a fun filled exciting comedy where Inspector Clouseau (Drew Christian) tries to save the world from Dreyfus (Stewart Mitchell) and his Doomsday Machine, but the world is out to get him. Assassins from all over the world have come together in an attempt to terminate him. Can Clousseau, an incompetent bumbling fool really save the world? Maybe with a little help from the Pink Panther (Lesa Hudson).

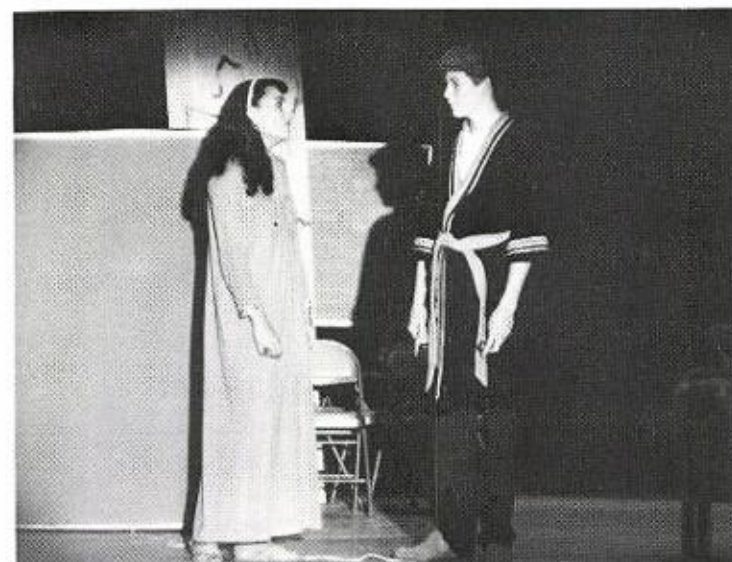

Left: The line-up of suspects: Clousseau interrogates Jennifer Groton, Mark Burgess, Tracy Kelly, Dixie White, Dari Twigg, Michelle Turner, and Lesa Hudson.

Center: Drew Christian, Clousseau, and Stewart Mitchell, Dreyfus, try disguises, but can not fool Lesa Hudson (the real Pink Panther).

Below: Lesa Hudson as the real Pink Panther.

Above: The psychiatrist orders Dreyfus locked up by the pink panthers, Kim Walston and Paige Fletcher.

Left: Dr. Fassbender, played by Craig Twigg, and Pam Conway, played by Pam Conway, discuss the Doomsday Machine.

Far Left: Stewart Mitchell, the evil Dreyfus of Pink Panther, strangles a fake Clousseau as Ellis Buchness, his psychiatrist, questions his sanity.

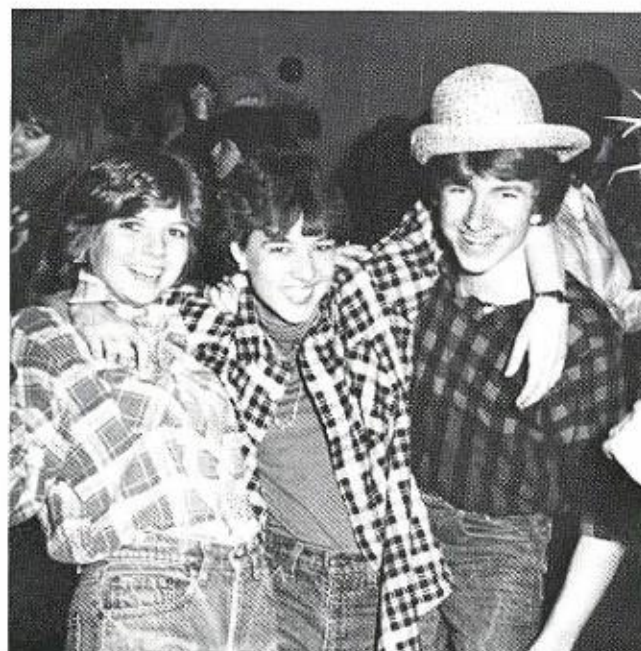

Sadie Hawkins Dance

On March 15, 1985, the SGA and the Varsity Cheerleaders once again sponsored the Sady Hawkins Day Dance. D.J. Lester Dale provided music for over one hundred Parkside students who attended. In keeping with the theme of the "Li'l Abner" cartoon, young ladies asked the guys to the dance and "married" them with a band-aid ring. Alece Shockley and Darrell Brow who won the student vote were selected as Daisey Mae and Li'l Abner.

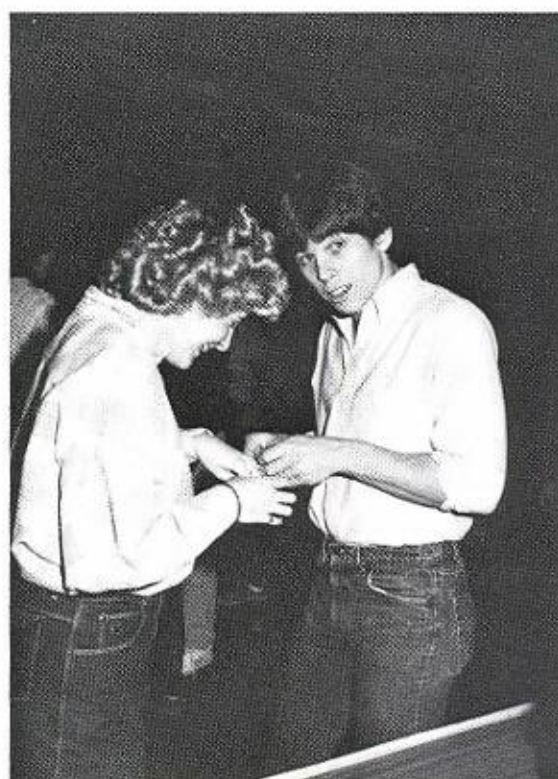

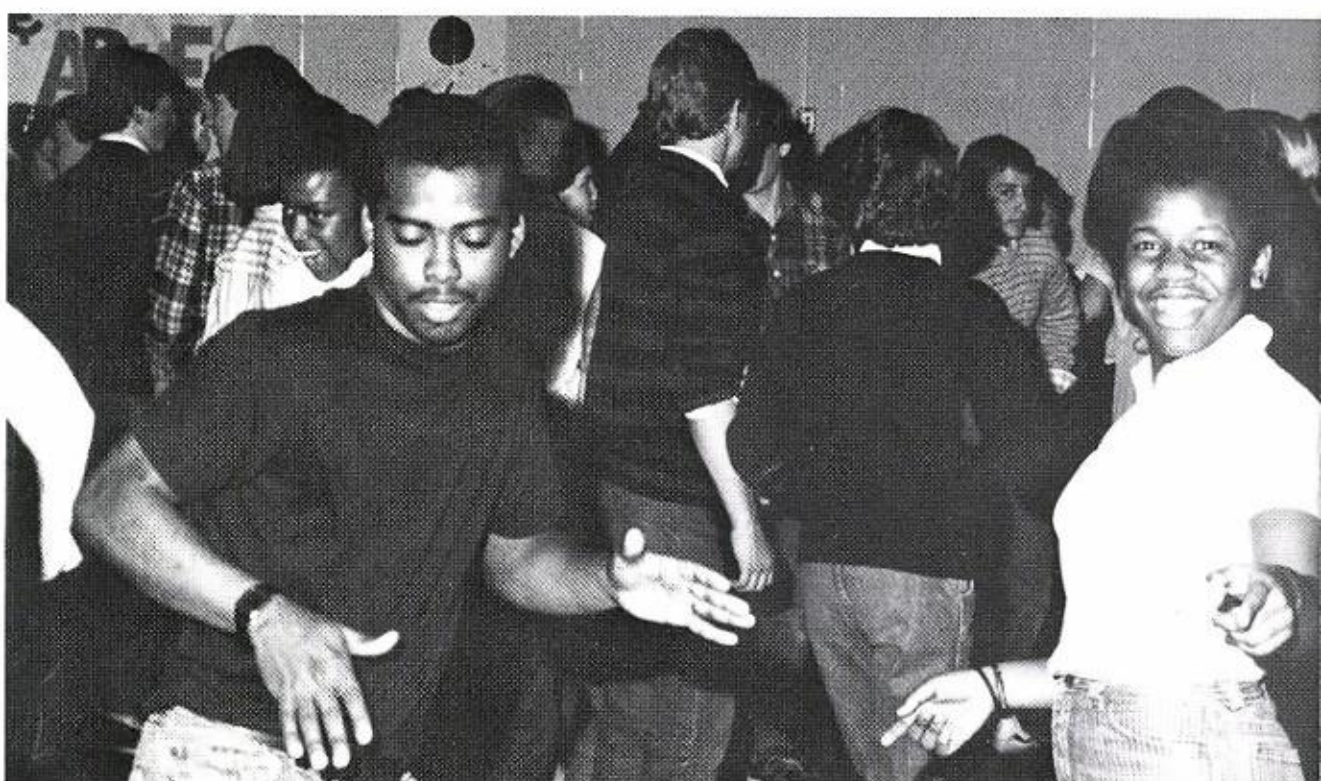

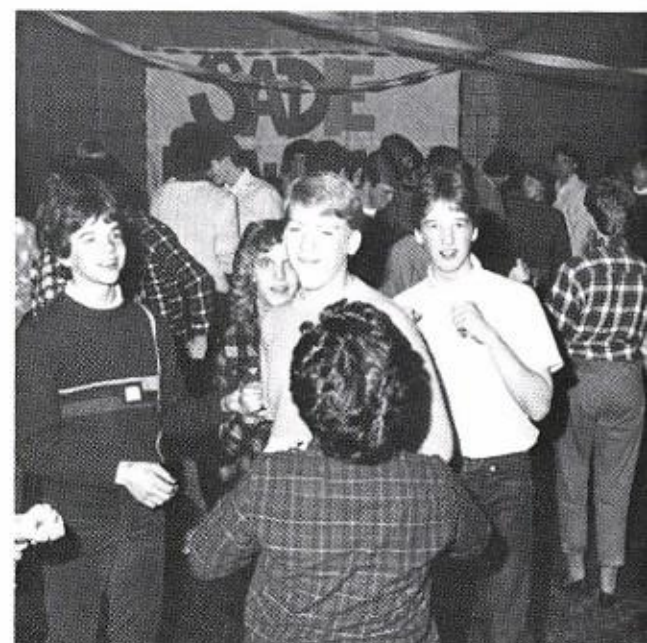

Right: Lawrence Purnell and his date, Chandra Colman, demonstrate the latest moves.

Foreign Language Party

March 4-8, 1985 was Foreign Language Week. To start the festivities buttons and flash cards were made with illustrations of foreign words. Students greeted each other in the language being studied and wore the colors to represent the different countries. A costume contest, pinata, and many different foods were highlights of a party held on Friday night. Marybeth Banks and Nathan Willis were crowned as King and Queen and everyone danced to the music of student "D.J." Chris Bounds. The students who enjoyed the week appreciated the efforts of Mrs. Goslee, Mrs. Evans, and Mrs. Parra, sponsors of the French, Spanish, and Latin Clubs.

Below: Sandy Ebelein tries to swing at the pinata.

Above: Lori Davis, Nancy Sullivan, Tiffanie Zullo and Jeff Grizzel sample some of the different foods.

Parkside Personalities

To mark the tenth anniversary of Parkside High School, the theme of the 1985 Parkside Personalities variety show was the "Tenth Annual Rammy Awards." Along with the traditional faculty, student, and parent acts, some very fine alumni acts returned to the Parkside Stage. Ken, Bob, and Susan Richter performed "Captain Nemo"; the "Gong Show" returned; Jean Dale and Teresa Klisciewicz entertained with "Slowly I Turn," and Pam Taylor Kanna-mon sang. Under the direction of Maria Evans who was assisted by Cindy Bennet and Sandra Greer, the "Tenth Annual Rammy Awards" was indeed an outstanding variety show.

Junior-Senior Banquet

Juniors and Seniors enjoy the special dessert.

The 1985 Junior-Senior Banquet took place in Parkside's cafeteria at 6:00 p.m. on April 19. Scott Needleman, Junior Class President, began the dinner with an opening speech.

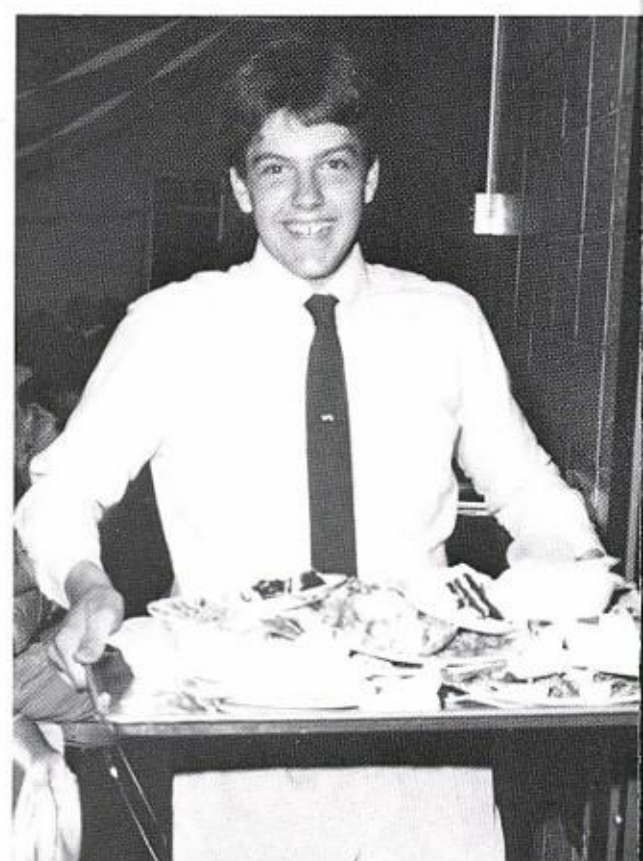

Alie's catered the dinner which consisted of salad, roast beef, potato, broccoli with cheese sauce, and Black Forest torte for dessert. Following the meal, everyone proceeded to the auditorium for the awards ceremony.

Various awards were presented highlighting unique characteristics of the Seniors. The Seniors then read the class will.

Finally it was time for the dance! The "Astrotones" played for the Juniors, Seniors, and their dates. The evening ended at 11:30 when everyone was exhausted from dancing. This year's Junior-Senior Banquet was a tremendous success!

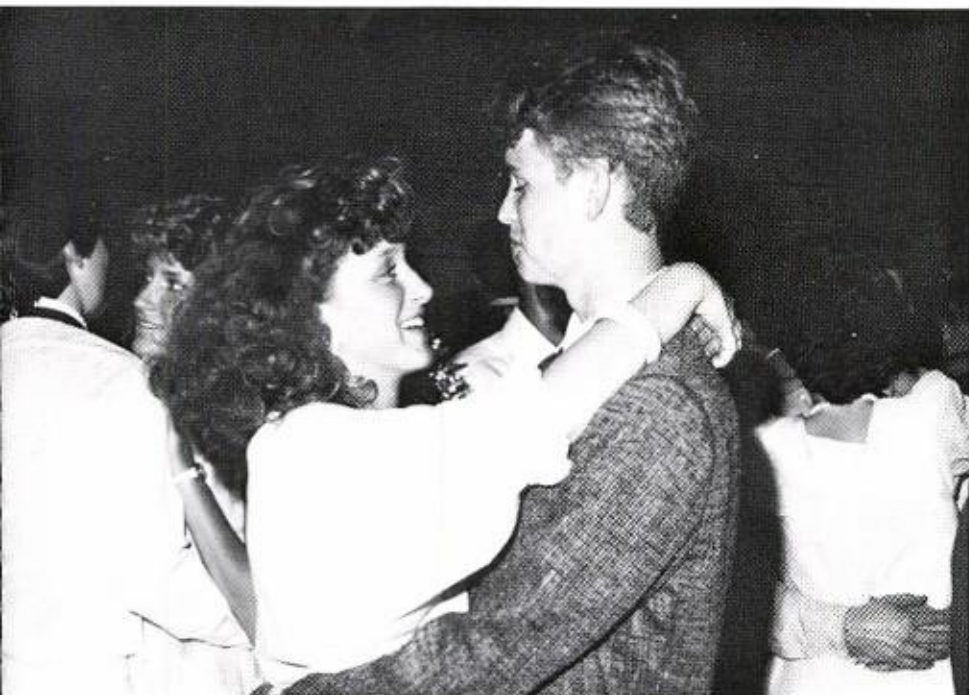

Everyone eagerly awaits the presentation of the next award.

Dedication

Andrew Smiley began working for the Wicomico County School system in August of 1961. His first job was at Cooper Mill School in his home community of San Domingo. He fondly recalls those early days at Cooper Mill. With its four rooms and four teachers, the school was like "one big family." The community itself was very involved with the school.

In 1964 Mr. Smiley became head custodian at Salisbury High. The new job was quite a change — the enrollment there was over 1500! In 1966, when Salisbury High became the Vo-Tech Center, Mr. Smiley moved to Bennett Senior while Bennett Junior was being completed. He then served as head custodian for Bennett Junior for nine years. Enrollment there was also over 1500. Classes were held in the main building, three portable buildings and in the halls! Mr. Smiley, who had earned his Engineer's License in 1967, was kept busy operating the boilers and supervising the maintenance of JMB Jr. In 1975, he was asked to transfer to Parkside where he is now serving as head custodian. August 1985 marks Mr. Smiley's twenty-fifth year of service to the students, teachers and staff of Wicomico County Schools. His concern for the building and grounds and his genuine love of people make Mr. Smiley a special person. The 1985 Yearbook Staff dedicates Parkside's tenth anniversary issue to Andrew T. Smiley.

Mr. Smiley checks the main breaker box for the auditorium air conditioning.

Standing on the ladder to the "pent-house", Mr. Smiley prepares to make a routine maintenance check.

Mr. Smiley can control the main electrical switch for the entire building.

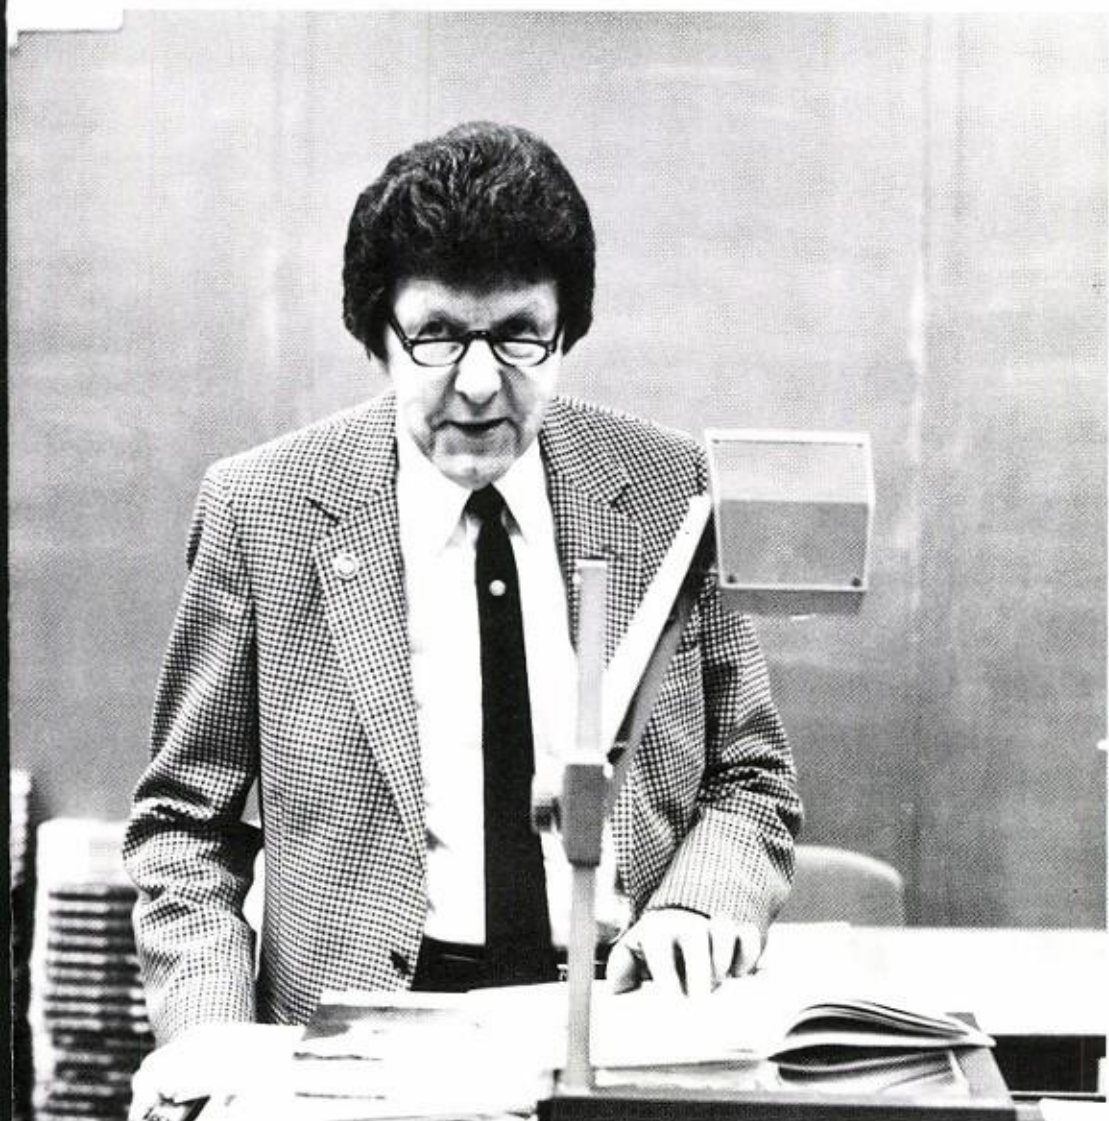

Joanne Cherry

Appreciation

In the spring of 1985, Joanne Cherry and Coolidge Wood, members of Parkside's English staff, announced their retirement. Both teachers had been with Parkside's faculty since the opening of the school in 1975. Mrs. Cherry, who had taught in Wicomico County for 30.1 years, had been an advisor to the Junior class, and had taught English II and the SAT Prep Course. Mr. Wood, who had taught 30 years in Wicomico County, had been advisor to the school newspaper, the *Rampage*. He also taught Journalism I and II and senior English.

The student body, faculty and staff of Parkside High School express sincere appreciation to Mrs. Cherry and Mr. Wood for their many years of service and wish them a happy and healthy retirement.

Maybe you think you've only got two choices after graduation: work or college. But you have a third choice: Woodridge Business Institute. At Woodridge you can get the training you need to start a rewarding career in the medical, legal, business or accounting fields. And it takes as little as six months. So you really have three choices... or if you're interested in an exciting career... maybe you only have one choice.

Woodridge.
